

The Sun-Folk Society Information Sheet

The Sun-Folk Society was formed in April 1931. The 5-acre site, which lies between Watford and St Albans in Hertfordshire, was purchased with personal funds provided by the committee.

On 20 May 1936, a Trust Deed was entered into securing the land for the Society's purpose. The benefit of freehold ownership has been security of tenure and the results can be seen in the excellent and ongoing development of the premises.

Members of The Sun-Folk Society extend a very warm welcome to all newcomers and will be pleased to introduce them to our friendly Naturist Club.

Arrangements can be made for prospective members to visit to see Sun-Folk for themselves and be shown our extensive facilities, which are outlined below.
