

SPECIAL CHILDREN'S DAY Saturday 14th June 2008

We are delighted to invite you to our annual fun day at ZSL London Zoo for children with special needs, and their families.

Amongst the highlights will be the very popular 'Animals in Action' presentation, fast and furious fun with some of the best climbers, flyers and jumpers at the Zoo showing off their natural skills, one of many talks and demonstrations taking place throughout the day. As well as the Zoo's 650 different types of animal, there will be live music and entertainment, face painting, craft activities, and multi-sensory animal encounters to enjoy.

An important feature of the day is British Sign Language interpretation at all the events and keepers' talks. This special day is always very popular with hearing impaired visitors.
