The organisers of these events have agreed to run them in accordance with the Boat Jumble Association Code of Practice. You are therefore assured of high standards of organisation and value for money. This year there are 34 events on the calendar offering the public the opportunity to beat the credit crunch and buy nautical items, new or used, at rock bottom prices. All events are well signposted and open at 10:00 until about 15:00. In extreme circumstances an event may have to be cancelled. It is suggest that you check at www.boatjumbleassociation.co.uk or look for the monthly calendar update in Boat Trader magazine before travelling. The Explosives act of 1875 prevents flares from being sold at any of these events.
