PRE-SCHOOL: 2-5 YEARS

Welcome

Welcome to Hepworth Pre-school. We are a charitable organization staffed with highly qualified professional practitioners and run by a committee of parents. We are 'not for profit' with all funds that are raised being used to provide the best quality facilities and care for our children.

Sessions

We offer 3 hour sessions and full day care for children from their 2nd birthday until they attend school. We are able to offer funding for eligible 2 year olds and Nursery Education Funding for all 3 and 4 year old. All sessions include periods of free play, structured activities, story time, snack time and outside time (weather permitting).

The Setting

The setting has dedicated indoor and outdoor space within the Village Hall site in Hepworth. Indoors this enables us to have permanent displays around the free play space plus home corner, book corner and a craft area. We aim to provide a safe and stimulating environment whilst encouraging our children to reach their full potential. We have locks on all doors and gates and carry out thorough risk assessments throughout the day both indoors and outdoors. We also have records of anyone entering and leaving the building. All staff have a current DBS (CRB) certificate and have all undertaken training in safeguarding. We promote equal opportunities that are inclusive of all using the setting.

We take children from the age of 2 and nappies are changed when required by a fully Qualified member of staff.

We also provide a snack during the session and a drink of milk or water. A list of snack items is on the notice board outside and we ask for a fixed donation per session to cover snack and any baking activities your child may take part in.

We also have a fantastic outside play area with a 'bouncy concrete' area for safer play and a garden area where the children play out in all weathers. We have splash suits and wellies for everyone and also the use of a covered area. We do not play outside in fog or severe ice/snow.

If you'd like to know more information, please feel free to drop into the playgroup at any time.

Alternatively, please give us a ring on 01484 680070.

Education

We passed on to school to make the transition as easy as possible for your child. Every child deserves the best possible start in life and support to fulfil their potential, providing our children with the foundation to make the most of their abilities and talents and helping them to thrive. The Early Years Foundation Stage (EYFS) helps young children to achieve; Every child deserves the best possible start in life and the support that enables them to fulfill their potential. Children develop quickly in the early years and a child's experiences between birth and age five have a major impact on their future life chances.

The EYFS principles which guide all practitioners in their work are;

- A unique child
- Positive relationships
- Enabling environments
- Learning and development

The knowledge, skills and understanding which children should have acquired by the end of the academic year in which they reach the age of five are grouped together to form the following 7 early learning goals;

PRIME AREAS

Prime areas are fundamental, work together, and move through to support development in all other areas.

PERSONAL, SOCIAL & EMOTIONAL

- Making relationships
- Self- confidence and self- awareness
- Managing feelings and behaviour

PHYSICAL DEVELOPMENT

- Moving and handling
- Health and self-care

COMMUNICATION AND LANGUAGE

- Listening and attention
- Understanding
- Speaking

SPECIFIC AREAS – Specific areas include essential skills and knowledge for children to participate successfully in society.

LITERACY

- Reading
- Writing

MATHEMATICS

- Calculating
- Shape, space and measure

UNDERSTANDING THE WORLD

- People and communities
- The world
- Technology

EXPRESSIVE ARTS AND DESIGN

- Exploring using media and materials
- Being imaginative

These goals are all equally important to support your child's development, being delivered through planned, purposeful play with a balance of adult-led and child-initiated activities.

We operate a key person system and each child has a designated practitioner who observes them and compiles their individual Record of Achievement file. This consists of written observations, photographs and art work, detailing how they have achieved the early learning goals and reached the various stages of development.

Hepworth Pre-school & Out of School Club

Where happy little people play and learn

Out of school club

The Club aims to provide high quality, affordable, reliable and accessible childcare to parents and carers, especially those who are working or training. We endeavor to meet all our children's individual needs with a hardworking and highly qualified team of staff who continue to train within the field of childcare. Hepworth pre-school and Out of School Club provides a fun, exciting and safe environment with the staff ensuring that our children are inspired and motivated through structured and informal activities. The Club encourages parental involvement and we hold a number of events involving both parents and children throughout the year and parents are welcome to visit at any time.

Funding

All children will be eligible for government funding the term after their third birthday and be entitled to 15 hours nursery education. Alongside this Kirklees offers 15 hours funding for some 2 year olds (to check your eligibility click the following link)
