The E.A.L.T. is over for another year and unfortunately the weather was very unkind to us. My admiration is for you the archers who in spite of the conditions were determined to finish the shoot. I would like to thank the members of The Co. of St Crispin Archers for setting out the field. They did a grand job especially clearing up the field in the awful conditions, My thanks also go to Den Smith who was unable to attend this year, for his trophies and pendants. Mr Keith Darkin (alias the Colourful Jester) certainly contributed to the smooth running of the Tournament in his interpretation of the Dress Code and the Rules of the Tournament. Well Done Keith and many thanks. A Special mention must to go to Tom Darkin who assisted Keith and myself during the Tournament. As always. my final thanks must go to you the Archers who attended the shoot, without your support there would be no Tournament.

JAN BOWEN
CO. OF ST. CRISPIN ARCHERS
