

# Countryside Access: Opportunities & Challenges

Bissoe Tramways Cycle Hire  
Bissoe

Thurs 10<sup>th</sup> May  
10am - 3pm

This event will explain the different types of access, links with environmental stewardship schemes and the role of access in diversification. It will mainly deal with the inland path network. BASIS accreditation has been applied for.

There is no charge for attending the event and lunch is provided. However, space is limited, so you need to book as soon as possible:

call Duchy College Rural Business School on 0845 4587 485
