**Initial Consultation**

An Initial Consultation is highly recommended to everyone even those who have had similar treatment(s) with another therapist previously. The consultation is an opportunity to discover your requirements – all in strictest confidence. The initial consultation does not include actual treatment, but you can choose to book a session right after it.

**Travelling Expenses (Outside Preston area)**

If you are outside the Preston area (i.e you don't have a PR postcode), I have a series of fixed charges to cover travelling expenses when I visit you for your treatment (your home, work etc). These charges are calculated on the distance between Preston and your location. I use an Ordnance Survey map to calculate distance and travel as far east, north, west and south to Liverpool, Lancaster, Manchester and Warrington respectively. Anywhere out of this area will include **extra** expenses if an overnight stay is required, although all requests will be considered.

**Payment (by post)**

Please enclose a cheque for the full amount with your completed booking form payable to **Yvonne Parr** and send to the address above.

**Payment (online)**

If you return this booking form as an email attachment ([bookings@yvonneparr.co.uk](mailto:bookings@yvonneparr.co.uk)) you can either post a cheque for the full amount to the above address or pay online. Online payments can be made via my secure PayPal page **[not set up yet]**. If you do not have a personal PayPal account, you can still use your credit card and pay by visiting this page **[not set up yet]**.

Please allow 7 days for cheques to clear before your treatment date.

**Cancellations**

Please give 7 days cancellation notice. Failure to do so will result in some or all of your payment being withheld.

**Terms & Conditions**
