

## Derbyshire County Show

This is a really good opportunity for the band to play and impress at a new venue and it's important that everyone knows where, what time and general information regarding the event.

First of all the show is at Elvaston Castle on Sunday 27<sup>th</sup> June

The band will be playing a number of sessions between 12 and 3 – 3 x 45 minute sessions.

There is lots of information about the show generally and what's on at their website: <http://www.derbyshirecountyshow.org.uk/>

on here you will see that there are free buses from Derby City Centre, Ilkeston and from Chellaston and the timetable for these is at <http://www.derbyshirecountyshow.org.uk/Bus%20Timetable.pdf>

There have been some traffic problems in the past getting to the show and whilst the organisers think this will not be as bad this year please allow enough time both to get to the showground, to get parked and to get to where we will be playing – aiming to arrive at the showground at 11am for 12 start should be about the latest. Or if you are catching the bus then the 11am from Derby should arrive at 11:20 again giving just enough time to get to where we are playing – catch the 10am if you can.

Those who have the larger instruments can enter through the Red Gate and park behind the Cavies, Fur & Feather Marquees which is only a short walk from the Band Stand, but they would need to be on site before 10am as that particular gates shuts promptly at 10am. We would also ask that only members with the heavier instruments park here as space is restricted. Other members can park in the blue car park which is at the Thulston End of the Show ground and therefore nearer to the band stand area.
