

All our walks are designed for you to walk round using a comprehensive route description.

The Summer Series Walks will have a guided walk, starting at the latest start time shown. The group will walk at a moderate pace and the walk will take approximately 2 hours to complete.

On the Sunday Series walks, there will not be a guided group walk, although many walkers meet up and form their own "groups" for the day.

All our walks are registered with the British Walking Federation.

These events are exempt from the Adventure Activities Licensing Regulations

Start Times

Summer Series: Start between the time shown for each walk (some are different!)

Sunday Series: Please note the start times for the different distances. The walks are not a race, but we do ask that you return off the walk by 1400hrs. You may wish to plan your start time so you will arrive back when the start venue is open.
