

Camp/Holiday Kit List

Your Son/Daughter will need to bring his/her own personal equipment (the following list is a guide) and if a Scout, they should be encouraged to find out from handbooks what is necessary and pack their own kit.

General Notes

All clothing and equipment should be labelled clearly with your Sons/Daughters Name with sew-in labels, indelible ink and/or engraving as appropriate.

1. For insurance purposes, your Son/Daughter must travel to and from the Camp/Holiday in uniform.
2. Black bin bags are not suitable for bedding rolls as they tear very easily, with the result that the contents get lost or soiled in transit.
3. No games or similar items (i.e. mobile phones or mp3 players) that require batteries to run please.
4. Penknives are optional. If they are brought to camp, they must be handed to the leaders on arrival. We run a penknife safety programme to show Scouts how to use and look after their penknife. The Scouts will only be issued with their penknife when it is needed.

Equipment Notes

Here is some basic information regarding some of the items you may require.

Sleeping Bags Synthetic filled bags are easier to clean than natural filling. Zips can be a source of cold if no baffle is fitted.

Footwear Boots give a better ankle support and normally have better soles than shoes if you are hiking.

Warm Wear A number of layers is warmer than one thick one and the warmth can be regulated more easily - do not forget your hands and head.

Torch Do not pack your torch with batteries fitted (or at the bottom of your kit) as it could easily get accidentally turned on and you will arrive at the camp/holiday with flat batteries.
