

Created by experts to bring out the best in your fish

Superior to flakes	Excellent fish condition	Two formulas in one	Better water quality	Fish prefer Crisps!
--------------------	--------------------------	---------------------	----------------------	---------------------

The health and condition of your fish directly depends on the diet you choose for them. That's why Tetra's industry-leading research laboratories developed TetraPro Crisps, to overcome the drawbacks of flake foods. Produced at a lower temperature, and using a completely different production process, TetraPro offers better nutrition for unrivalled health and condition. It also results in less waste production, for improved water quality and clarity. The two-colour process used to make TetraPro also allows the introduction of two formulas into one food, for concentrated benefits on top of a complete, balanced diet. What's more, fish prefer Crisps to flakes, meaning they get a diet they love, as well as one that keeps them in great shape.

Hounslow & District Aquarists Society

A Message from our Chairman

Dear friends and fellow aquarists,

On behalf of the 2011 Show Committee and the members of HDAS, I would like to offer you a warm welcome to our 48th Open Show. HDAS will have their fish/equipment shop and food bar open throughout the Show.

Our venue again this year is the Rose Community Centre, Brentford, Middlesex – the same venue for the FBAS Assembly meetings.

Despite our move (for advantageous financial reasons!) the Hounslow shopping area is not that far away. Benching facilities will be outside the Centre, weather permitting.

We are pleased to have been given Classes Cb (Pencilfish), La (Botia) and W (A.O.S Coldwater) as this year's FBAS Championship Trophy Classes. There are also Tetra's Best Pair and Best Breeder awards to be won, Classes for Juniors and, **new for this year, a fully-divided Class P** so that **Standard Colour Livebearers** can be exhibited separately from their more common 'Allsorts.'

Due to lack of support we have reluctantly withdrawn the Shanghai Classes.

We all look forward to seeing you at our Open Show either as an exhibitor or as a visitor. Old and new friends, experts or novices to the aquatic hobby, all are welcome.

Special thanks go to the FBAS Judges, our Advertisers, the Show Committee, our Club Members and the Refreshment Ladies, but especially to you for your support.

I look forward to seeing you all and hope you enjoy the day

Peter Anderson, Chairman 2011

Hounslow & District Aquarists Society

in its 61st year meets at

St. Stephen's Church Hall
Parkside Road, Hounslow, Middlesex TW3 2BP

300 Yards from Hounslow B.R. station

The Society within its membership has a wealth of experience in the hobby of fish keeping, whom we are only too happy to pass on to juniors and novices alike.

RULES

Entry fees: 20p per entry by post, fax or e-mail.
Closing date for post, fax or e-mail Entries: Wednesday 14th September 2009
Phone entries 20p up to 9 p.m. on Friday 16th September.
Late entries up to 11.00 a.m. on the day of the Show, at the Show Manager's discretion, at a fee of 25p. Every 6th entry free (excluding phone entries and entries on the day).

Breeders Classes must be teams of four fish not more than fourteen months old on the day of the Show. **Date of birth must be shown on the entry forms**, and the fish must have been bred by the exhibitor.

Entry forms should be sent to Show Secretary:

Dick Mills, 10 Rosken Grove, Farnham Royal, Slough, Berkshire SL2 3DZ
Tel : 01753 645675 email: dickmills@tiscali.co.uk

Duplicate Entry Forms should be collected on arrival at the Show
Benching from 9.30 a.m. and must be fully benched by 12 noon

Judging commences at 12.30 pm. Prize-giving between 16.30 & 17.30.
The decision of the Show Committee shall be binding in all matters not covered by these Rules. While all reasonable care will be taken, the Show Committee does not accept any responsibility for any loss or damage to exhibits.

SUITABILITY OF WATER

It is the responsibility of the exhibitor to ensure that the water in which their exhibits are shown is suitable for that exhibit. The Organisers' will not be responsible for any loss of, or adverse effect upon, any exhibit caused by the quality or composition of the local or introduced water supply, which may contain chemicals or differ in quality to that which the exhibit is normally accustomed. No gravel may be used except in Class Ag and Ak (can be brought ready set up).
DEFRA listed species: It is the Exhibitors' responsibility to have available any licence, if requested by a DEFRA Officer for any listed species.
Full List of known species published on the FBAS website

Photography only with permission of the Show Manager.

Exhibitors are reminded of F.B.A.S. Show Rule No. 14: Exhibits may not be removed before the end of the Show without prior permission of the Show Manager. **(DEBENCHING AT THE END OF PRIZE-GIVING, THANK YOU)**
