

Flame Leviathan

Everyone

Siege Engines and Demolishers can both be targeted, shown by a purple arrow.

When targeted, run away from Leviathan, hugging a wall while doing so.

Siege Engine

Siege Engine Driver

You have 3 abilities:

Ram

Electroshock

Steam Rush

Use **Ram** for maximum damage output.

When 5-second 'Target Change' warning appears, move away in opposite direction.

If targeted, carry on moving away, otherwise move back and continue dps.

Use **Steam Rush** if you think you may get caught while targeted.

Siege Engine Passenger

You have 3 abilities:

Anti-Air Rocket

Fire Cannon

Shield Generator

Use **Fire Cannon** for maximum damage output.

Keep right mouse button held down while firing to keep position locked.

Use **Shield Generator** if you think you may get caught while targeted.

Demolisher

Demolisher Driver

You have 4 abilities:

Hurl Boulder

Hurl Pyrite Barrel

Ram

Throw Passenger

Use **Hurl Boulder** for maximum damage output.

On 7th stack of debuff 'Gathering Speed' on Leviathan, aim and use **Throw Passenger**.

When Leviathan 'Overloads' use **Hurl Pyrite Barrel** for maximum damage output.

Demolisher Passenger/Gunner

You have 5 abilities:

Mortar

Anti-Air Rocket

Grab Crate

Increased Speed

Load into Catapult

Use **Mortar** for maximum damage output.

Keep right mouse button held down while firing to keep position locked.

Use **Increased Speed** if you think you may get caught while targeted.

On 6th stack of debuff 'Gathering Speed' on Leviathan, use **Load into Catapult**.

Once on Leviathan, nuke down your Turret, then the other if there.

When you re-land, enter your bike and when your bike reaches your previous vehicle, reenter it.

Chopper

You have 4 abilities:

Sonic Horn

Tar

Speed Boost

First Aid Kit

Use **Tar** in front of Leviathan to slow it down.

Use **Sonic Horn** while **Tar** is on cooldown for maximum damage output.

When Leviathan 'Overloads' locate your target and meet him where he lands.

Once they have entered your bike, take them to their former vehicle.
