

TRACK DAY DECLARATION AND INDEMNITY

All participants will be required to sign the following indemnity before being permitted on the circuit.

I wish to ride a motorcycle, and/or otherwise participate in a track event organized by Kirkistown Track Days.

I understand that motorsport is hazardous, and I am voluntarily exposing myself to risk of damage or loss or personal injury by participating in a track event. Despite this, I understand that racing is prohibited, and that the purpose of the event is to allow the participants to improve their skills and learn the handling characteristics of the motorcycles they are using.

I understand that any insurance carried by Kirkistown Track Days and/or event location operator in respect of any liability that might arise out of the track event will be limited, and that my own motor, third party and public liability insurance (if any) is unlikely to cover me for my losses, liabilities or personal injuries.

I understand the following: -

1. Kirkistown Track Days will not be scrutineering participant's motorcycles before permitting them on the track, nor has it any control over the level of competence of other participants.
2. Kirkistown Track Days is not a training organization. Experienced track users will be on hand to give guidance, but it is just that - informal hints and tips.
3. Kirkistown Track Days, whilst giving guidance on, and where required to, enforce the rules and safety standards of the event location operator, will not otherwise enforce track discipline or safety measures. I myself am responsible for the way in which I use the track, and for wearing appropriate protective equipment.
4. Kirkistown Track Days and/or the event location operator may refuse me access if I, or my motorcycle, infringe any relevant rules or regulations or appear dangerous. I understand that the payment(s) I have made to Kirkistown Track Days will not be refundable under these circumstances.

I declare: -

1. I am fit and healthy and that my eyesight (with lenses if to be worn) is adequate for track use.
2. That any motorcycle for which I am responsible, and/or which I will use on the track, is in good and suitable mechanical condition.
3. That I hold a current full licence entitling me to use, on the public roads in the UK, a motorcycle of the size and type that I will be using on the track or have held a race licence to a minimum of class B.
4. That I will not participate in a track event whilst under the influence of alcohol or intoxicating drugs.

I agree to make no claim against Kirkistown Track Days or it's officers or agents in respect of any loss or injury suffered by me during a track event, and to indemnify them against their costs and losses arising out of any claim made against them by anyone to the extent that such losses are attributable directly or indirectly to my participation in a track day.

I have read and agree with the above declaration and indemnity, and agree that it's terms will also apply to my participation in any future track days organized by Kirkistown Track Days, unless I sign a subsequent declaration and indemnity, which will then take precedence.
