

AEROPARK FEEDBACK

WELCOME TO THE AEROPARK! I hope you like it! This fantastic new facility is now available to you thanks to £75,000 of funding gained from Viridor Credits (via Community First); £50,000 of funding allocated from the National Lottery's Big Lottery Fund (via North Wiltshire District Council); £15,000 granted by the RAF Central Fund and £10,000 provided by Lyneham & Bradenstoke Parish Council. I have been working intensively on this project for more than a year to bring it to fruition, in partnership with these organisations, and now we are pleased to present you with the result of our combined efforts.

The idea for a new, central play area for the village didn't come out of nowhere. This play area is now in place because you - the community - raised concerns about the lack of decent play areas, attended public meetings, raised the issue with community leaders, filled in play area questionnaires, encouraged your children to fill in play area questionnaires, came to information sessions, chose a design, and supported the people who have worked to make this play area a reality! The Aeropark is an example of what can be achieved when local people take time to express their views and get involved in community projects, groups and meetings to help make things happen, so don't stop now - the sky is the limit!

Maintenance of the Aeropark will be undertaken by Modern Housing Solutions (MHS) on behalf of Defence Estates - any queries or concerns over maintenance or equipment faults should be reported to them on 0800 707 6000. The signage for the Aeropark will be installed soon, and this phone number will be displayed along with the opening and closing times of the play area, which are 8am - 10pm during the summer (BST) and 8am - 8pm in the winter (GMT). In the short period that the signs will be absent, I'd also like to remind you of the following:

No dogs in the play area

No smoking

No ball games

All litter should be put in the bins provided

Cycle helmets & protective clothing should be worn when using the bike trail

Children under 8 should be supervised at all times

No alcohol

No loitering

The Parish Council will soon be implementing a bylaw which will mean that the police can enforce the closure times of the play area (this bylaw will also cover the rest of the play areas in Lyneham & Bradenstoke). Although we all hope it won't be an issue, vandalism or general anti-social behaviour can be reported to MoD Community Policeman PC Jarra Brown on 07776 493164 / 01249 890647 or, if he is unavailable, Wiltshire Constabulary or the RAF Police.

To help me compile a final report for the grant funders about this project, I would like to ask you, and your children and teenagers, to take a few moments to tear off and complete the attached short feedback form, so I can give some accurate information about what people think about the new play area. It would also be really great to know your views just for my own benefit too, and so that the Parish and District Councils can also have some feedback.

I hope you and your children get great enjoyment out of this new community facility!

Warm regards,

Lisa Mitchell
Community Development Worker
RAF Lyneham

AEROPARK FEEDBACK

* * * PARENTS * * *

1. What part of Lyneham or Bradenstoke do you live in?
(Please write the name of your street or the name of your estate)
