**Track 06, Title – In a Dream**

*Whistle*

The hazard warning signs were flashing, in my eyes  
My aged wisdom, fell by the wayside  
I'll not move on now, unless I say goodbye  
To a love that shares two beds, and two lies  
How I wish I was on the outside, looking in  
Doctor doctor, have you a pill to ease the pain

*Whistle*

In loves hurricane I call out her name  
Waters of love, come down like the pouring rain  
There's flashing bright lights and theres bubbles in my veins  
Bodies sweating, holding tight it's never the same  
How I wish that there was no price to pay  
Doctor doctor have you a pill to ease the pain

How I wish it was a dream in a dream, all in a dream  
How I wish it was a dream in a dream, all in a dream

*Whistle*

When the penny drops there's nothing you can do  
You cry alone, feeling used and abused  
The cuts in your heart well they'll be leaving deep scars  
Future new loves feel your pain, and you're past  
How I wish I was on the outside looking in  
Doctor doctor have you a pill to ease the pain

How I wish it was a dream in a dream, all in a dream  
How I wish it was a dream in a dream, all in a dream  
How I wish it was a dream in a dream, all in a dream  
How I wish it was a dream in a dream, all in a dream

*Solo*

How I wish it was a dream in a dream, all in a dream  
How I wish it was a dream in a dream, all in a dream  
How I wish it was a dream in a dream, all in a dream  
How I wish it was a dream in a dream, all.... in a dream....
