**Track 08, Title – On The Beach At Midnight**

I remember in the early days  
I watched you throw your dice  
Then you changed all your clothing  
Bought a heart made of glass  
Your trophy room of broken hearts  
Was getting bigger by the day  
Your candle was burning lower  
You were crying in your laced coffee  
Then you walked the bridge at midnight  
With a bottle in your hand  
You were lost, oh so lost  
You were lost, oh so lost

And as you chase the smoke  
Where you last saw your dreams  
You curb your constant craving  
Shedding memories  
Then you started on your new book  
Anticipating every page  
Eyes bright with expectations  
It's great you've made the grade  
Now you dance the beach at midnight  
With your new world in your palm  
You are warm, oh so warm  
You are warm, oh so warm

Instrumental

Now you dance the beach at midnight  
With your new world in your palm  
You are warm, oh so warm  
You are warm, oh so warm

Now you dance the beach at midnight  
With your new world in your palm  
The path to your new horizons  
Scented, coloured and warm  
Yes you glow, how you glow,  
Now you glow, how you glow  
Now you glow, how you glow,  
Now you glow, how you glow

how you glow, how you glow  
.... to fade....
