**Track 09 Title – Farewell Not Goodbye**

(Tribute to ECT)

We've been travelling this highway for years  
Crossed hundreds of bridges and shared our fears  
We have spent more time together, than with our families  
Now we're standing at the harbour, stormy breeze

We had years of fun and laughter and shared the pain  
You were my keystone flag and anchor all the way  
I am the Aries child with high ideals and creativities  
And you dotted all my I's and crossed all my T's

Now you've been growing and I've been growing, although at different speeds  
Its farewell not goodbye, farewell not goodbye  
And its farewell not goodbye, stormy seas

Saxophone Instrumental – to end...
