Album – Damaged In Transit

Track 11, Title – Heart with No Name

I can't tell, No not a single sole
About the secrets, in your eyes

Heavy is my heart, when you are not around
I hate the lies, I hate the lies

Do I love, no I am in love
In my heart, there's an empty space

But I know it's occupied, full of families that cannot be denied
It's a major sin, wrapped in silk and lace

I can't by your roses, but you let us take you to a show
I'm bleeding and I cannot hide the pain
I'll never stop loving you, no matter what you say
I'm carrying a heart, with no name

Instrumental

To live and breathe, and have this lovely feeling
It's enough, but I would love to give
So angel eyes, I need you to know
Until now, Well I've never lived

I can't by your roses, but you let us take you to a show
I'm bleeding and I cannot hide the pain
I'll never stop loving you, no matter what you say
I'm carrying a heart, with no name

I'll never stop loving you, no matter what you say
I'm carrying a heart, with no name
