

Minutes of meeting 26th June 2006

Present

Neil, Alistair, Nigel, Sarah, Claire

Harley Davidson event

Saturday 15th June at Towcester race course. The event is still going ahead, we have stocks for our stall but need sponges and buckets if anyone is able to provide them. Time to be confirmed.

Gambados

This was a great success, the next brewsters date will now also be held at Gambados.

Swimnite

There was again a good turn out for this event which seemed to be enjoyed by all. The good weather meant there was more room to eat the pizzas! Many thanks to Papa Johns who gave us a reduced price on the pizzas. Sarah has written to a rep asking for sponsorship for the event, as yet there has been no reply. Many thanks to the Lions Club who donated £200 towards the swim event. Also thank you to Viv Ryan who raised approx £170 from a denim 4 diabetes event at her childrens school.

JDRF

Jenny Hammond is attending this workshop.

Training events

Nigel is yet to follow this up.

Bupa Great South Run

There has not been much support as yet for this 10 mile run raising money for Diabetes UK, anyone interested please contact Nigel Hammond.

Pediatric clinics

There was a long debate on the format of the clinics. Although all parents present appreciated that the paediatricians were very pleasant and helpful there was a general feeling that as they are not specialist in diabetes the support and advice we receive was not very proactive. For example when asked about new development in diabetes there seemed to be a lack of knowledge. The group agreed that this needed much more discussion and wider consultation of all parents to get their views
