

Minutes of meeting held Monday 27th November 2006

Present

Neil, Nigel and Alstair

Gambados

Following on from the previous meeting, attendance Nigel emailed all families for opinions on Gambados versus Brewsters. Responses were positive from a number of families, they just said that other events had preventing them being able to attend.

Swimathon 2007

We have a number of volunteers. Nigel is liasing with the Lions club to sort out details.

Campaigning

After attending a diabetes UK campaigning day last week and having received such a positive and proactive level of support from the UCLH hospital for Poppy's pump, Nigel raised the issue of campaigning. After a thorough and lively debate, Neil, Alistair and Nigel are going to set up a focus group to look at influencing MK hospital to consider being more proactive with insulin regimes.

Christmas Party

Neil has left messages for Santa, but he has not returned them. Alistair is going to try and get hold of Santa via one of his little helpers.

Next meeting – in the New Year – to be arranged. See you at the Christmas Party.
