Sarah Hibble

### **Paediatric Campaign**

Diabetes UK is organising a meeting on Saturday 12<sup>th</sup> June 2004 at the Euston Plaza Hotel in London from 11 am – 3 pm, there will be tea, coffee and lunch provided. This will be a chance to meet other supporters with paediatric issues and plan strategies. It would be really good if a number of us could attend. For more information contact Sarah Hibble on 218672.

### **Chessington Trip**

The trip was very successful with 75 people enjoying the thrills and spills of the day!!

### **Parents Social Evening**

The next meeting will be 22<sup>nd</sup> June and it has been suggested that we have an informal social event to gather parents together and talk about what people want from the group. Ideas for events, also to discuss the phone tree in more detail.

### **Needle Free Injections**

Should we find out more? There was an article on "This Morning". The general advice in Milton Keynes is that it isn't used – perhaps we need more information on the pro's and con's.

### **Fund Raising Letter**

Nigel and Neil will have drafted a letter and copied to each other by 31<sup>st</sup> May.

### **National Service Framework**

New updated version includes a section on children.

### **Telephone Tree**

There are still some teething problems with this system, to be discussed further.

### **Next Meeting**

The next meeting will be on 22<sup>nd</sup> June at the Caldecotte Arms. See attached poster
