FREEDOM to CHOOSE
IN A FREE COUNTRY

I, THE UNDERSIGNED, AM AGAINST THE GOVERNMENT'S IMPOSED BAN ON SMOKING IN PUBS AND CLUBS. I FEEL THAT SELF REGULATION AND VENTILATION IS THE CORRECT ROUTE TO TAKE IN A DEMOCRACY

The smoking ban has covered ALL indoor social amenities, from night clubs to pensioners' lunch clubs, ALL workplaces from shopping centres down to one-man mobile operations like HGVs. Take this opportunity to voice your objections to this new Law by signing this petition.
