A cool pack may be used, if appropriate, and should be concealed by the blanket. The judges are instructed to pass any pens containing decoration, distinguishing objects or toys. No stud advertisements, written or printed matter, other than official award cards, may be put on the pens. EXHIBITORS ARE REMINDED THAT THEY, OR THEIR AGENTS MUST BE WITHIN CALL THROUGHOUT THE PERIOD OF THE SHOW, EXCEPT FOR THOSE TIMES WHEN THE HALL IS CLEARED FOR JUDGING.

The officiating Veterinary Surgeons have authority to exclude any cats showing skin lesions, they are also empowered to exclude all incontact cats. Any cat found to be suffering from the effects of drugs on entry or at any time during the Show will be subject to expulsion from the Show on the authority of the Veterinary Surgeon.

**THE VETERINARY SURGEON'S DECISION IS FINAL.**

NB Veterinary Surgeons may be asked to allow Exhibitors to open their own Cat's mouths for inspection.

Judges are empowered to withhold any prize or championship in any Class if the Exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judges' award slips. Should any Judges be prevented from fulfilling their engagements, the Club reserves the right to appoint other Judges in their stead. GCCF Rules state that in any Class, Judges may be changed in the course of the Show in an emergency with the consent of the Show Manager.

**WARNING:** Breeders and Owners are hereby warned by the GCCF against the danger of selling **WHOLE LITTERS** to one buyer, as unfortunate consequences may follow.

**EXHIBITS ARE ONLY RECEIVED ON CONDITION THAT THE CLUB SHALL NOT BE HELD RESPONSIBLE FOR ANY LOSS OR DAMAGE TO EXHIBITS, BOXES, OR OTHER PROPERTY, IN ANY WAY. NO-ONE MAY REMOVE OR INTERFERE WITH ANY EXHIBIT EXCEPT THE OWNER OR A CLUB OFFICIAL. NO CATS ARE TO BE HANDLED IN SUCH A WAY AS TO CAUSE ANNOYANCE TO THE OTHER EXHIBITS.**

### **ATTENTION**

The Certificate must have been issued by a Veterinary Practice / Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. This should be properly completed and clearly indicate the identity of the exhibit and the owner, confusion may result in rejection. Cats without valid certificates will be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

**ALL CURRENT CERTIFICATES MUST BE AVAILABLE FOR VETERINARY INSPECTION IF REQUIRED.**

**THE GCCF RECOMMEND THAT ALL CATS AND KITTENS OWNED BY EXHIBITORS BE REGULARLY TESTED FOR FELV. CATS SHOWING A POSITIVE REACTION TO THE FELINE LEUKAEMIA VIRUS BLOOD TEST OR THE FELINE IMMUNODEFICIENCY VIRUS BLOOD TEST MUST NOT BE SHOWN.**

**PLEASE NOTE:** Homeopathic vaccination is not acceptable for the purpose of showing.

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

In the event of a change of an Breed Class Judge occurring after the closing date of the Show, and provided that the Exhibitor informs the Show Manager prior to judging that a certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge who shall judge the cat and if the cat is considered worthy, countersign the Certificate which shall then count towards Championship status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature.

### GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (ie Registration or Transfer Certificate) for the cat that is to be exhibited, **PRINTING** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed "APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS" this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by GCCF no later than 21 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgment postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated or a change of exhibitor / owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **VERY CLEARLY** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit/exhibits should always use the same form and **both must sign**.

### STATUS OF ERRORS - WHAT TO EXPECT

**MINOR ERRORS.** These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc
- (e) full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

**INCORRECT DATE OF BIRTH.** This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

**NB AGE LIMITS:** Kittens - not less than 14 weeks and under 9 calendar months on date of

show

Adults - not less than 9 calendar months on date of show

**INCORRECT NAME OF EXHIBIT/OWNER/BREEDER.** If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise:

**EXHIBIT** Totally incorrect name

**REGISTERED OWNER** Joint when they should be single and vice versa

**(EXHIBITOR)** Declaration not signed by registered owner(s)

NB The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show.

**BREEDER** Totally incorrect name or names

NB The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth

### **REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW**

These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

### **TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY THE GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW.**

Entries such as these will also be disqualified as the exhibitors entry form becomes invalid.

### **INCORRECT OR INELIGIBILITY OF CLASS ENTRY**

These will be disqualified from the class concerned - so always check with the Show Manager in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand, Imperial or Olympian Classes must have qualified on or before the published closing date of the show and the title must have been claimed in writing. Exhibitors who enter Grand, Imperial or Olympian Classes without claiming will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

### **CAT REGISTERED ON THE REFERENCE REGISTER**

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.
