

Ride UK Programme

Ride UK

Recreational riding provides time to reflect on the day's activities and plan for tomorrow. It allows you to relax your mind and body and escape from the hassles of day-to-day life. Riding can provide quality time with family and friends, or private time for yourself. It helps develop personal character and promotes physical fitness.

Spending time in the saddle?

If you enjoy riding or driving your Paint Horse for recreation, the UK PHA, Ride UK Program is for you.

By enrolling in Ride UK, you can strengthen your body and mind while exploring the great outdoors with your favourite Paint Horse - and be earning rewards for the time you spend riding and driving.

With Ride UK, you set your own goals and measure your own success. Ride at your own pace and earn rewards for simply doing what comes naturally—riding an American Paint Horse.

Ride for personal achievement

When you enrol in Ride UK, you receive an official time log and Ride UK patch. Simply record each hour you spend riding or driving your APHA Registered or Part-Bred Paint Horse and send your log to UK PHA.

As you move up through the 14 achievement levels—from 100 to 10,000 hours—UK PHA records your accomplishments and you earn patches, shirts, blankets, and other fabulous awards.

All you have to do is enjoy the ride and record your progress—we'll reward your achievements. So get out there and saddle up! It's time to Ride UK!

Requirements:

- Participants must be current UK PHA or UKjPHA members and must maintain membership for the entire time during which hours are recorded toward a recognition level.
- Submit an enrolment application and one-time enrolment fee of £15 per horse/rider combination.
- Ride or drive an APHA Registered American Paint Horse or Part-Bred Paint Horse
- Participants do not have to own the horse.

- Participants must maintain a separate log on each Paint Horse enrolled.
- Keep track of time (one hour for each hour actually spent riding or driving) on the Official Ride UK Time Log
