News in Brief

The Silhouette competition will run at the same time as the Club Agg / Head to Head (see Shaun, Ian, John, Darren or Greg).

As from 1st January 2009 all shooters should have their score card countersigned by another club member (preferably the person they shot round with). Unsigned cards will no longer be accepted.

It has been suggested that we should try "HFT" courses . We have decided that they can be incorporated into practice Saturdays with additional longer targets for FT shooters.

Christmas Shoot

Saturday 27th saw both the Millride Christmas Shoot combined with the Inaugural Pat Byrne Memorial Shield. Pat was a popular member at Millride and a regular at the other clubs in the region. He was taken from us suddenly recently and it was decided to introduce this annual event in his memory.

The members of Millride FTC are grateful to Pat's widow Maureen for agreeing to present the trophy, our deepest condolences are with her. Around 50 FTers, HFTers & Plinkers took on 40 quality targets in Millride's copse & neighbouring field in the face of a strong, tricky wind.

Conditions stayed dry but bitterly cold and a tough course stayed undefeated with the top score going to Millrider Darren Tomes with 36.

John Cox has started the year well, with top score in Club Agg 1, 2 & Head to Head 1

Last competition of the month was Club Aggregate 2. There was a good turnout on what turned out to be a nice sunny day with hardly any wind to worry about. Jonta was once again top score with a perfect round.
