

# PHOENIX CANOE CLUB

## CALENDER 2009

All dates are provisional until advertised by e-mail or on the club notice board. Courses can be booked in advance by payment of the registration fee. Non-members can book onto Introductory One Star courses, which include club membership and registration fees. All courses start at 1.00pm and finish at 3.30pm. Entry to the club is by attendance on an Introductory One Star course or by providing evidence of a BCU One Star award or higher.

“A” Race days are run by the Welsh Harp Sailing Association and use the whole reservoir, so no kayaking is possible at the Phoenix Canoe Club on those days – we generally arrange a river trip instead. Additional river trips and activities may be arranged during the year.

1<sup>st</sup> Aid Courses will be arranged to suit demand.
