Across

- 4 Irregular for tenant to play landlord (even for temporary lodging expenses after a hefty sandwich) — but ingenious! (6)
- 7 Ambush on never-ending ski trail? Brother! (8)
- 8 A MacGuffin, a Book of Dooms, a stick of dynamite, Bertrand Russell, ... such associations might have led far adrift if you didn't see the connection. (6)
- 10 Gloster Meteor button label? Or, any player. (5)
- 13 Key sign for the cross-language evaluation forum. (4)
- 14 Benevolent club with disused railway posts list of duties, thanks to the sparks. (4)
- 15 Space (and its size) certainly seem to be first-rate. (4)
- 16 Half a fruit in one hand? Careful: apparently a few parents are watching! (3)
- 17 Two-horse (chariot) town? Sidene in those days. (4)
- 19 Dead fish on heavy cart (returning to MPS HQ) ... (4)
- 21 ... which needs this fourfold. Somerset — sideways. (9)
- 23 Napoleon, working on his own, says he got down as far as *that*. (4)
- 24 Miss Penny! Miss Bryan is to perform before artists. (4)
- 26 Live true to your wager. (3)
- 27 Elegant ox born on the spot? (4)
- 29 Some opioids are found around this village in Azania. (4)
- 32 Decoration at tyre edge? (4)
- 33 Cockney sock maker naming willowy shrub? That cider with Mr Lee seems to have turned her head ... (5)
- 34 Pogonological subject has to endure repetition. (6)
- 35 UK majority for Hitler? No; women reflect on a school-leaver — or any number after support. (8)
- 36 Something to do with the back part of a body segment of an insect, spider or shrimp... (6)

Down

- 1 Control a young ox. (5)
- 2 This French male put about publicity for officer training. (5)
- 3 Enterprise cat — or dog, notice. (4)
- 4 Trite story after Russian journalist with excellent memory has a beer on the road. (5)
- 5 Stratofortress expert? (4)
- 6 Safety margin in Korean method. (6)
- 9 Opinion on meadow next to ancient city. (6)
- 11 French-Canadian office task. (3)
- 12 California Jat clan conspiracy? (5)
- 13 River lobster crop father clipped. (7)
- 15 Concise agreement on silver and tritium . (3)
- 16 A rival to the symposium of the episcopal conferences of Africa and Madagascar? Huh! It's the Manila carrier, mate! (3)
- 18 "Smooth" is just a single word in the Bedouin honour code for women. (6)
- 20 Vintage Citroën follows Lt. Burakov as he studies from a book. (5)
- 21 Remove a load of fibre from this little bed! (3)
- 22 Briefly, high-optimized tolerance ("a general framework for studying complexity") is all the rage. (3)
- 23 To cut off the east was distressing for Monsieur Dumoulin. (6)
- 25 Minerals in Suffolk river are worth a bit of money across the North Sea. (3)
- 28 Beginner at rest finds solid support in course-building software for teachers. (5)
- 30 Optical illusion? This low power light source? Poor grandad must be drunk! (5)
- 31 Sure, Callison used to dress for show; but quietly if anywhere for skating. (5)
- 32 A southern cycling tour? So, boast about what you'll be wearing! (4)
- 33 Stay behind it when throwing! Otherwise they'll think you're yellow, not radical. (4)
