## Message from the President

I would like to take this opportunity to thank the members of QBC for their kind messages and thoughts as I take “a health check timeout.” It is much appreciated by myself and my family. Can I also thank my committee, in particular VP Ian Douglas, for taking over the reins until I’m back in action. Hope you all have a great season.

## Opening day meeting

At a lively opening day meeting the dates for weekend competitions, club representatives etc were decided (see separate heading). After some discussion it was decided by a vote to have only one closing day event to which all members are invited. Another topic for debate was the intention to hold a men’s Friday night “hat night”. The idea was accepted and is now underway.

## On the green

At last the new seasons underway. Everyone's expectations are high –" will this be my chance to win something", or not so high – "I just hope to get past the first round". That's what's great about bowls is we all have our own targets and what may seem to like failure to some is success to others. The draws for the competitions for all of the sections of the club are now underway so keep an eye on the various notice boards in the locker room. The question on everyone's lips, at least in the men's section is, how many trophies is the Mighty Dunnett going to win this year?, who is going to be the first to win against him? Anyone willing to give "odds" for this one.

The Senior Top 10 league has already started. A 2 up 2 down in the first match against reigning champions Kinneil gave a good start to the season but this was followed by 1 up 3 down away to Philpstoun and then a 0 up 4 down at home to Bridgeness.

## Club Coaching

Junior members receive coaching most Friday afternoons from 2.30pm – 3.30pm. If other club member would like to have some coaching please contact Linda Doig to make arrangements.
