

GBTEN Chapter. Worksheet for the 4K Snooker: File:Snook\_Ws\_#207.txt

From: \_\_\_\_\_:GBTEN #: \_\_\_\_\_:Start Date: \_\_\_\_\_:Pts Claimed: \_\_\_\_\_]

Please remember, No Retro Contacts. Start date as shown above.

Enter 15 members each of whose GBTEN number, when adding any 2 digits together, will add up to 1 (One) ie #071 or #081 or #201 or # 901 etc. Also see updated information in the rules and requirements info sheet!

GBTEN #	Pts	CALL	GBTEN #	Pts	CALL	GBTEN #	Pts	CALL
	1			1			1	
	1			1			1	
	1			1			1	
	1			1			1	
	1			1			1	

The second section is for entering GBTEN members #'s when any two digits will add up to any number between 2-7.. ie 700 = 7 pts and 234 = 7 or 5 or 6 pts. You have to decide the value claimed! All details must be filled in to be an acceptable entry...

GBTEN #	Pts	CALL	GBTEN #	Pts	CALL	GBTEN #	Pts	Callsign

You need to complete the two sections above before you start on the one below.. This last section needs to be worked on in date order as shown by the 6 coloured balls printed.... Use this section as above but, this time the two digits used must add up to either 2-3-4-5-6 or 7 pts!

ie: 202 =2 or 4 pts. #312 = 3,4 or 5 pts and #531 = 6 or 4 pts.  
Your choice!
