

Golf in Orlando has to be a golfers' dream.

Specialist golf course architects design many of the courses and many use professional golfers, such as Nick Faldo and Arnold Palmer as consultants for the course design. There is something to suit everyone no matter what standard and many give golf instruction and have practice facilities in addition.

Within striking distance of 605 Rochester Loop there are some 30+ golf courses, the nearest being at Polo Park, just two minutes away, and which offers 'specials' such as 18 holes of golf with golfcart from \$13 plus tax. Alternatively within 10 minutes drive from the villa there is the unforgettable course designed by Niklas, Palmer and Wilson of Champions Gate. This magnificent golf course with its beautifully manicured greens and luxurious surroundings offers top-class golfing.
