- 10:** The mating of bitches within the precincts of the Show is forbidden.
- 11: BEST PUPPY IN SHOW:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed or Best in Show is a Puppy it will automatically be Best Puppy in Breed and Best Puppy in Show respectively. Similarly, if the Reserve Best of Breed or Reserve Best in Show is a Puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Breed and Best Puppy in Show respectively. Consequently selection of Best Puppy in Breed & Best Puppy in Show must follow the selection of Best of Breed & Best in Show respectively. WITHDRAWAL FROM OTHER COMPETITION: Dogs which become eligible for Best in Show may be withdrawn from all other competition prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.
PROVISO: For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
- 13:** Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
- 14:** No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
- 15:** All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
- 16:** All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the Show can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- 17: DOGS IN CARS ON HOT DAYS:** See separate notice as per KC Policy.
- 18:** Not for Competition entries will be accepted. Details of dog so entered must be recorded on the Entry Form and must be KC Registered. Puppies over four calendar months of age may be entered "Not for Competition".

DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Show awards issued by the Irish Kennel Club which count towards the title of Champion, shall be five point Green Stars or more. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering for any class i.e. **19th Sept. 2009**. Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

A dog is not eligible for entry in Variety Classes unless also entered and subsequently exhibited in a Breed class where such a class is provided, for which it is eligible.

Exemptions from this Regulation are:-

(1) A Puppy, unless a class for dogs under twelve months of age for which it is eligible is provided for the breed.

(2) A dog in Any Variety Veteran class.

(3) As provided in Kennel Club Definitions of classes.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.

a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted to the Open class for the correct breed, colour, sex, weight or height. b) For an exhibit entered incorrectly in a Minor Puppy class or Puppy class, which is over age but under twelve calendar months of age or eighteen calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class or the Junior class respectively for the correct breed, colour, sex, weight or height and in the event of their being no Puppy or Junior Class to the Open class for the correct breed, colour, sex, weight or height.

c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height. If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

MINOR PUPPY - For dogs of six and not exceeding nine calendar months of age on the day of the Show.

PUPPY - For dogs of six and not exceeding twelve calendar months of age on the day of the Show.

JUNIOR - For dogs of six and not exceeding eighteen calendar months of age on the day of the Show.

DOGS IN CARS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following advice to help guide you through the dos and don'ts, travelling to and whilst at KC licensed events.

- When travelling to a show, please consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned, seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade; take your own shade, for example a large umbrella, and always have plenty of water available to drink, so your dogs stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time

Remember, if you feel hot, your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission, or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to refuse entries: Exhibitors are reminded that show societies have the right, under Kennel Club Regulations, to refuse entries.

WEIGHING OF MINIATURE DACHSHUNDS

Health and Welfare Statement

Miniature Dachshunds will be weighed at all ECDA Shows. The desired maximum weight of Miniature Dachshunds is 11 lbs (5 kg). The Committee wishes to make it clear to exhibitors that the health and welfare of all dogs entered at ECDA events is of the highest importance.

The Animal Welfare Act became law in England on 6 April 2007. The focus is now on the responsibility of the owner, as seen in the 'Duty of Care'. Those who own a dog are legally responsible for its welfare, otherwise they may be found to be committing a 'Welfare Offence'.

The Committee will take action against any exhibitors who are found to be depriving their dogs of water and/or food in order to meet the desired maximum weight requirement for Miniatures in the Breed Standard.

Exhibits which appear thin and undernourished should be seriously penalised by judges.
