## CHARTER STANDARD COMMUNITY CLUB

### Club Fees – Season 2009/10

Below are the details for this year fees. For the teams, you can pay either by cash/cheque in full, or by Standing Order (SO) monthly through your bank. SO forms are available through the club and should be returned to the club, not to your bank. These can then be recorded and forwarded to the appropriate bank for processing.

#### Teams

Option 1 - Payment made in full BEFORE 30th June 2009, fees will be as 2008/9 season with a 10% discount – Total £172 – this includes registration fee.

Option 2 – Payment made in full BEFORE 31st July 2009, fees will be £190, less 10% plus £10 registration fee – Total £181

Option 3 – Payment by Standing Order of £19 per month starting 1st August 2009 for 10 months, plus £10 registration fee.

We have tried to keep fees as close to last seasons as possible, but both referee fees and council pitch fees have increased for next season.

#### Note

*Players will not be registered with the league until payment has been confirmed and necessary forms completed*

#### Development Centre

Development Centre (DC) will remain unchanged at £4 per week; however, we will not be taking advanced payments for DC this season as it is difficult to manage through the DC accounts.
