

*Another  
Rude Joke  
Book*

BY

ALAN J. HARTLEY

There is a man who has three girlfriends, but he does not know which one to marry. So he decides to give each one £5000 and see how each of them spends it. The first one goes out and gets a total makeover with the money. She gets new clothes, a new hairdo, manicure, pedicure, the works, and tells the man, "I spent the money, so I could look pretty for you because I love you so much."

The second one went out and bought new golf clubs, a CD player, a television, and a stereo and gives them to the man. She says, "I bought these gifts for you with the money because I love you so much."

The third one takes the £5000 and invests it in the stock market, doubles her investment, returns the £5000 to the man and reinvests the rest. She says, "I am investing the rest of the money for our future because I love you so much."

The man thought long and hard about how each of the women spent the money, and decided to marry the one with the biggest breasts.

Little Johnny asked his grandma how old she was. Grandma answered, "39 and holding."

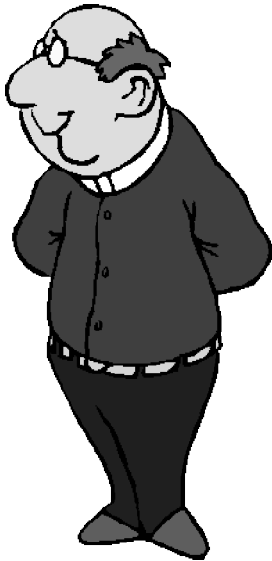

Johnny thought for a moment, and then said, "And how old would you be if you let go?"

### LIFE AFTER DEATH:

"Do you believe in life after death?" the boss asked one of his employees

"Yes, sir," the new employee replied.

"Well then, that makes everything just fine," the boss went on. "After you left early yesterday to go to your grandmother's funeral, she stopped in to see you!!"

### PALM SUNDAY:

It was palm Sunday and, because of a sore throat, five-year-old Johnny stayed home from church with a sitter.

When the family returned home they were carrying several palm branches. The boy asked what they were for. "People held them over Jesus' head as he walked by."

"Wouldn't you know it," the boy fumed, "the one Sunday I don't go and he shows up!"

### SUPPORT A FAMILY:

The prospective father in law asked, "Young man, can you support a family?"

The surprised groom to be replied, "Well, no, I was just planning to support your daughter. The rest of you will have to fend for yourselves."

### FIRST TIME USHERS:

A little boy in church for the first time watched as

the ushers passed around the offering plates. When they came near his pew, the boy said loudly, "Don't pay for me daddy. I'm under five."

#### PRAYERS:

The Sunday school teacher asked, "Now, Johnny, tell me, do you say prayers before eating."

"No sir," he replied, "We don't have to, my mom is a good cook!"

#### CLIMB THE WALLS:

"Oh, I sure am happy to see you," the little boy said to his grandmother on his mother's side. "Now maybe daddy will do the trick he has been promising us.ö

The grandmother was curious. "What trick is that?" she asked.

"I heard daddy tell mommy that he would climb the walls if you came to visit!" the little boy answered.

#### THE MOOD RING:

My husband bought me a mood ring for Valentines Day so that he would be more aware of my moods. When I am in a good mood it turns green. When I am in a bad mood it leaves a big red mark on his forehead!ö

#### THE WATER PISTOL:

When my three year-old son opened the birthday gift from his grandmother he discovered a water pistol. He squealed with delight and headed for the nearest sink. I was not so pleased so I turned to mom and

said, "I'm surprised at you. Don't you remember how we used to drive you crazy with water guns?" Mom smiled and then replied, "I remember." I remember.

There was a man who had worked all of his life, had saved all of his money, and was a real miser when it came to his money. Just before he died, he said to his wife, "When I die, I want you to take all my money and put it in the casket with me. I want to take my money to the afterlife with me." And so he got his wife to promise him with all of her heart that when he died, she would put all of the money in the casket with him.

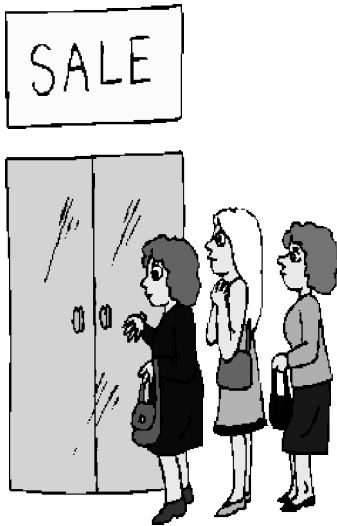

Well, he died. He was stretched out in the casket, his wife was sitting there in black, and her friend was sitting next to her. When they finished the ceremony, just before the undertakers got ready to close the casket, the wife said, "Wait just a minute!" She had a box with her; she came over with the box and put it in the casket. Then the undertakers locked the casket down, and they rolled it away.

Her friend said, "I know you weren't fool enough to put all that money in there with your husband.

"The loyal wife replied "Listen, I'm a Christian; I can't go back On my word. I promised him that I was going to put that money in that casket with him."

"You mean to tell me you put that money in the casket with him!!!!?"

"I sure did," said the wife. "I got it all together, put it into my bank account and wrote him a cheque. If he can cash the cheque, he can spend it!

A shop that sells husbands has just opened in London, where a woman may go to choose a husband. Among the instructions at the entrance is a description of how the shop operates. You may visit the shop **ONLY ONCE!** There are six floors and the attributes of the men increase as the shopper ascends the floors. There is, however, a catch . . . you may choose any man from a

particular floor, or you may choose to go up a floor, but you cannot go back down except to exit the building!

So, a woman goes to the Husband Shop to find a husband.

On the first floor the sign on the door reads:

Floor 1 - These men have jobs and love the Lord.

The second floor sign reads:

Floor 2 - These men have jobs, love the Lord, and love kids.

The third floor sign reads:

Floor 3 - These men have jobs, love the Lord, love kids, and are extremely good looking.

"Wow," she thinks, but feels compelled to keep going.

She goes to the fourth floor and the sign reads:

Floor 4 - These men have jobs, love the Lord, love kids, are drop- dead good looking and help with the housework.

"Oh, mercy me!" she exclaims, "I can hardly stand it!"

Still, she goes to the fifth floor and the sign reads:

Floor 5 - These men have jobs, love the Lord, love kids, are drop- dead gorgeous, help with the housework, and have a strong romantic streak. She is so tempted to stay, but she goes to the sixth floor and the sign reads:

Floor 6 - You are visitor 4,363,012 to this floor.

There are no men on this floor. This floor exists solely as proof that women are impossible to please.

Thank you for shopping at the Husband Shop. Watch your step as you exit the building, and have a nice day!

An elderly couple were on a cruise and it was really stormy. They were standing on the back of the boat watching the moon, when a wave came up and washed the old woman overboard. They searched for

days and couldn't find her, so the captain sent the old man back to shore with the promise that he would notify him as soon as they found something. Three weeks went by and finally the old man got a fax from the boat It read:

"Sir, sorry to inform you, we found your wife dead at the bottom of the ocean. We hauled her up to the deck and attached to her bottom was an oyster and in it was a pearl worth £50,000 please advise "

The old man faxed back:  
"Send me the pearl and re-bait the trap "

An old farmer in Florida had owned a large farm for several years. He had a large pond in the back, fixed up nice with picnic tables, a football pitch, tennis court, etc. The pond was properly shaped and designed for swimming when it was built. One evening the old farmer decided to go down to the pond, as he hadn't been there for a while, and look it over. As he neared the pond, he heard voices shouting and laughing with glee. As he came closer he saw it was a bunch of

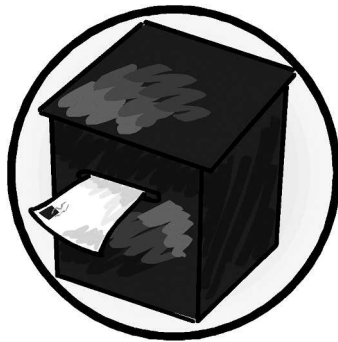

young women skinny dipping in his pond. He made the women aware of his presence and they all went to the deep end of the pond. One of the women shouted to him, "We're not coming out until you leave!"

The old man replied, "I didn't come down here to watch you ladies swim naked or make you get out of the pond naked. I'm here to feed the alligator."

Moral: Old age and cunning will triumph over youth and enthusiasm every time...

A man goes to post a letter in the post box. As he reaches out to put the letter in the box he slips and bangs his face badly. So badly in fact that he breaks

his nose. His bruises take some days to heal up and his nose takes several weeks.

The man has difficulty sleeping and feels very tired and run down all the time.

He goes to see the Doctor who gives him some tablets and tells him to come back when his nose is better. The

mans nose heals a couple of weeks later and he goes to see the Doctor again. The man says to the doctor, "I still feel run down and I'm always tired. I'm still sleeping badly as well Doctor."

Cinderella was now 75 years old. After a fulfilling life with the now dead Prince, she happily sat upon her rocking chair, watching the world go by from her front porch, with a cat called Alan for companionship.

One sunny afternoon, out of nowhere, appeared the Fairy Godmother. Cinderella said the "Fairy Godmother, what are you doing here after all these years?"

The Fairy Godmother replied "Well Cinderella, since you have lived a good, wholesome life since we last

met, I have decided to grant you 3 wishes. Is there anything for which your heart still yearns?"

Cinderella is taken aback, overjoyed and after some thoughtful consideration and almost under her breath she uttered her first wish: "I wish I was wealthy beyond comprehension." Instantly, her rocking chair was turned into solid gold. Cinderella was stunned. Alan, her old faithful cat, jumped off her lap and scampered to the edge of the porch, quivering with fear.

Cinderella said "Oh thank you,

Fairy God Mother".

The Fairy Godmother replied "It is the least I can do. What does your heart wish for your second wish?"

Cinderella looked down at her frail body, and said: "I wish I was young and full of the beauty of youth again". At once, her wish having been desired, became reality, and her beautiful youthful visage had returned. Cinderella felt stirrings inside her that had

been dormant for years and long forgotten vigour and vitality began to course through her very soul. Then the Fairy Godmother again spoke "You have one more wish, what shall you have?" Cinderella looked over to the frightened cat in the corner and said, "I wish you to transform Alan my old cat into a beautiful, and handsome young man". Magically, Alan suddenly underwent so fundamental a change in his biological make-up, that when complete he stood before her, a young man, so beautiful the like of which she nor the world had ever seen, so fair indeed that birds began to fall from the sky at his feet.

The Fairy Godmother again spoke: "Congratulations, Cinderella. Enjoy your new life." And, with a blazing shock of bright blue electricity, she was gone. For a few eerie moments, Alan and Cinderella looked into each other's eyes.

Cinderella sat, breathless, gazing at the most stunningly perfect young man she had ever seen. Then Alan walked over to Cinderella, who sat transfixed in her rocking chair, and Alan held her close in his young muscular arms. He leant in close to her ear, and into her ear breathed as much as whispered, blowing her golden hair with his warm breath, "I bet you regret having me de-sexed now, don't you?"

An expert on European wasps and the sounds that they make was walking down the high street one day and happened to look into a record shop. In the window was a new record which had all the sounds of European wasps on it. He thought "I must have that," so he went into the shop and asked if he could listen to a

few minutes of the record. The assistant put it on and told him to go into a booth. The expert on European wasps and the sounds that they make listened to the record and came out shaking his head. He said "I don't recognize any of the sounds on that record and I am an expert on the sounds that wasps make." The assistant said "I'll play a few more minutes of it." After a few more minutes the expert came out and said "I'm an an expert on European wasps and the sounds that they make but I don't recognize anything on that record."

The assistant looked at the record and then exclaimed, "I'm sorry, I have been playing you the Bee side."

A man started work in a butchers and he was told to slice some bacon on the machine. He was a bit clumsy and unfortunately he cut off all his fingers on the very sharp slicing machine. He went to the

hospital straight away and the doctor examined him and said, "You have cut your fingers off very cleanly, it's a shame that you did not bring them because we could have sewn them back on." The man replied, "I would have done but I could not pick them up!"

Jeremy Clarkson and Kate Moss were talking and Jeremy said, "You don't know who I am do you?"

"No," replied Kate.

Jeremy said, "I do Top Gear."

"That's a coincidence because I do top gear as well," replied Kate, "Have you got 4 grams to spare?"

An Irishman wearing nothing but Wellingtons goes up to the top of a block of flats and jumps off. The Police and some eyewitnesses are standing round the body talking when a Policeman says, "It looked as though he committed suicide then. He went up to the top and just jumped."

Then one of the dead mans friends came up to the little group and said, "He did not commit suicide. He thought he could fly."

"But he had no wings," said the Policeman, "He was just wearing Wellingtons."

"I know," replied the dead mans friend, "Someone

told him earlier this morning that his grandfather flew in Wellingtons during the Second World War."

A man goes to his doctor with his knee and the Doctor examines the knee and hears a little voice that says, "Can you lend me £50 mate?"

The Doctor scratches his head and says "This is serious."

The man says to the Doctor, "That is nothing have a listen to my ankle Doc."

So the Doctor bends down and examines the man's ankle and hears another little voice that says, "Can you lend me £100

mate?"

The man asks the Doctor what is causing it and the Doctor replies, "This is most serious, I think that your leg is broke in two places."

A lorry driver breaks down on the M6 with a cargo of live monkeys on board, bound for Chester Zoo. They need to be delivered by 9:00 am and the driver fears he will get the sack if they don't get there on time. He decides to try and thumb a lift for his monkeys and eventually an Irish lorry driver pulls over.

"Where they going?" asks the Irish chap.

"Do us a favour mate and take these to Chester Zoo for me" says the driver, "and here's a hundred quid

for your troubles."

"Happy days," says the Irish fella, then he loads the monkeys onto his truck and gets on his way. The lorry driver goes about trying to fix his truck and is there for a good few hours when he notices the Irish fella coming back down the motorway, still with all the chimps on board. Panicking, he flags him down again.

"What are you playing at," he fumes, "I told you to take them to Chester Zoo!" "I did," says the bemused Irish fella, "but there is still fifty quid left so now we're going to Alton Towers."

Paddy applies for a job, but the foreman won't employ him until he has passed a little math's test. The foreman says to paddy, " Here is the first question. Without using numbers, represent the number 9."

"Without numbers?" the Irishman says "Dat is easy," and he proceeds to draw three trees.

"What's this?" the boss asks him.

"Haven't you got a brain? Tree and tree and tree make nine," Says the Irishman.

"Fair enough," says the boss. Then he continues,

"The second question is. Apply the same rules and illustrate the number 99 this time."

The Irishman stares into space for a minute or two and then picks up the picture that he has just drawn

and makes a smudge on each tree. "Dere you go." he says. The boss scratches his head and asks, "How on earth do you get that to represent 99?"

The Irishman explains, "Each of da trees is dirty now, so it's dirty tree, dirty tree and dirty tree. Dat makes 99."

The boss starts getting worried that he is going to have to give the Irishman the job. "Alright." he says "This

is your last question. The same rules apply again but this time illustrate the number 100."

The Irishman stares into space for a long minute and then picks up the picture and draws a little misshapen blob at the base of each tree. Then he says, "Dere you go, 100."

The boss scratches his head, looks at the picture and then bursts out, "You must be nuts if you think that represents 100!"

The Irishman leans forwards and points at the little marks at the base of each of the trees. Then he says, "A little dog came along and crapped at the bottom of each tree. So now you have got dirty tree and a

turd, dirty tree and a turd, dirty tree and a turd, dat makes 100.....So when do I be starting de job?"

I was banned from going into B & Q for life the other day. I went in to buy some bits and pieces when this big bloke with an orange overall came up to me and said to me "Do you want decking?" Well I did not give him a chance, I hit him first and decked him.

There were three men sitting naked in a sauna, one Englishman, one a Scotsman and one an Irishman. Suddenly there was a beeping sound. The Englishman pressed his forearm and the beeping stopped. The other two said, "What was that?"

The Englishman said, "That was my pager. I have a microchip under the skin of my arm."

A few minutes later a phone rang. The Scotsman lifted his hand up to his ear and started speaking into his palm.

Afterwards he explained "That was my phone, I have a miniature phone embedded in my hand." The other two were

impressed and Paddy felt left out so he left the sauna and went to the toilet. When he came back he had some toilet paper trailing down his bottom. The other two looked at him and he said, "I am just getting a fax through."

When the husband finally died, his wife put the usual death notice in the papers, but added that he died of gonorrhoea. No sooner were the papers delivered when a friend of the family phoned and complained bitterly, "You know very well that he died of diarrhoea, not gonorrhoea."

The widow replied, "I nursed him night and day so of course I know he died of diarrhoea, but I thought it would be better for posterity to remember him as a great lover rather than the big shit he always was"

When I went to lunch today, I noticed an old lady sitting on a park bench sobbing her eyes out. I stopped and asked her what was wrong. She said, "I have a 22 year old husband at home. He makes love to me every morning and then gets up and makes me pancakes, sausage, fresh fruit and freshy ground coffee."

I said, "Well, then why are you crying?"

She went on, "He makes me homemade soup for lunch and my favourite biscuits and then makes love to me for half the afternoon."

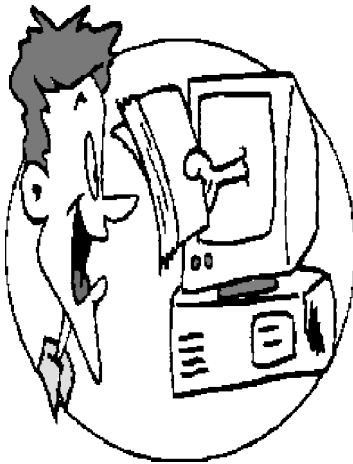

I said again, "Well, why are you crying?"

She continued again, "For dinner he makes me a gourmet meal with wine and my favourite dessert and then makes love to me until 2:00 a.m. "

I said, "Well, why in the world would you be crying?"

She said, "I can't remember where I live.

One day, in line at the works cafeteria, Jack said to Mike behind him, "My elbow hurts like hell. I suppose I'd better see a doctor."

"Listen, don't waste your time down at the surgery," Mike replied , "There's a diagnostic computer at the Supermarket. Just give it a urine sample and the computer will tell you what's wrong, and what to do about it. It takes ten seconds and only costs five pounds, it's a lot quicker and better than a doctor".

So Jack collected a urine sample in a small jar and took it to the Supermarket. He deposited five pounds and the computer lit up and asked for the urine sample. He poured the sample into the slot and waited. Ten seconds later, the computer ejected a printout:

"You have tennis elbow. Soak your arm in warm water and avoid heavy activity. It will improve in two weeks".

That evening while thinking how amazing this new

technology was and Jack began wondering if the computer could be fooled. He mixed some tap water, a stool sample from his dog, urine samples from his wife and daughter, and masturbated into the mixture for good measure. Jack hurried back to the Supermarket, eager to check what would happen. He deposited five pounds, poured in his concoction, and awaited the results.

The computer printed the following:

Your tap water is too hard. Get a water softener.

Your dog has ringworm. Bathe him with anti-fungal shampoo.

Your daughter has a cocaine habit. Get her into rehab.

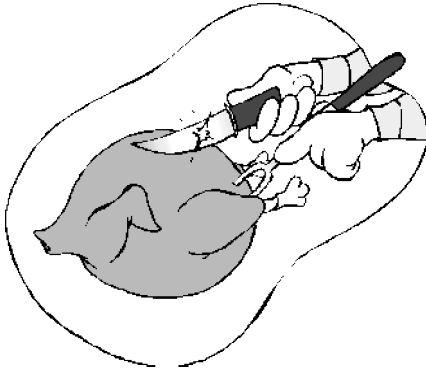

Your wife is pregnant with twins. They aren't yours. Get a lawyer.

And if you don't stop playing with yourself, your tennis elbow will never get better...

Thank you for shopping at this Supermarket.

Two elderly women were eating breakfast in a restaurant one morning. Ethel noticed something funny about Mabel's ear and she said, "Mabel, did you know you've got a suppository in your left ear?" Mabel answered, "I have a suppository?" She pulled it out and stared at it. Then she said, "Ethel, I'm glad you saw this thing. Now I think I know where my hearing aid is."

A priest was driving down the road one day when he saw a nun walking along. The priest stopped and asked the nun if she would like a lift. The nun said she would and climbed into the car revealing a shapely thigh as she sat down. The priest couldn't resist and placed his hand gently on her thigh. The nun exclaimed, "Father remember Psalm 127." The priest apologized and quickly removed his hand. A few minutes later he slid his hand onto the nun's

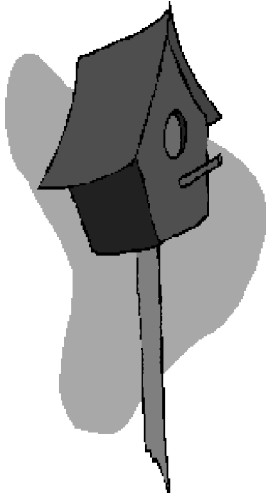

thigh again. The nun said, "Father remember Psalm 127."

Again the priest removed his hand and apologized. When the car stopped at its destination and the nun got out she looked back wistfully and said "Father remember Psalm 127."

The priest rushed home and looked up Psalm 127. When he read it, it said, "Go forth and explore and you shall be rewarded in the kingdom of heaven."

I have been making a bird table and was ready to assemble it the other day. I needed some way of securing the upright post to the base and I thought a dowel joint would be too difficult so I decided on putting a large screw through the base and up into the post. The next morning I went into the local hardware shop and saw a man and a woman behind the counter. I asked the woman, "I want a long screw please." The man murmured under his breath, "Don't

we all dear," and gave me a funny look.

The lady assistant said, "How dare you," and slapped my face. After I had regained my composure I turned to the man and repeated my request. "I want a long screw please. About 6 inches will do nicely. Have you got one that long?"

The man winked at me, gave me a funny look and said, "I think I've got one that long." I made some comment, quickly left and went to B&Q.

A man started work at a butchers and had to see a

The doctor said, "We can't have that, take these tablets and see if they take away the urge. Come back and see me next week and tell me how you got on."

The man thanked the doctor and went back the next week and the doctor asked him if he still had the urge.

The man said, "Yes doctor the tablets did not help. I

couldn't resist, I put my dick in the bacon slicer."  
The doctor said, "Oh my God. How is your dick?"  
The man replied, My dick is fine but the bacon slicer  
isn't, she got the sack."

"Mommy, I was at the playground and I saw Daddy's  
car go into the woods with Aunt Jane. I went back to  
look and he was giving Aunt Jane a big kiss, then he  
helped her take off her blouse.

Then Aunt Jane helped Daddy take his trousers off,  
then Aunt Jane..

At this point Mommy cut him off and said, "Johnny,

this is such an interesting story, suppose you save the rest of it for supper time. I want to see the look on Daddy's face when you tell it tonight."

At the dinner table, Mommy asked little Johnny to tell his story.

Johnny started his story, "I was at the playground and I saw daddy's car go into the woods with Aunt Jane. I went back to look and he was giving Aunt Jane a big kiss. Then he helped her take off her blouse. Then Aunt Jane helped Daddy take his trousers off, then Aunt Jane and daddy started doing the same thing that Mommy and Uncle Bill used to do when Daddy was in the Army."

'Sometimes you need to listen to the whole story before you interrupt' !!!

Two men were standing outside a pub and one says to the other, "I fancy a pub crawl but I have got no money. Have you?"

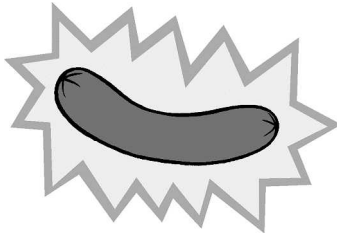

The second man replies, "Only £1 but that won't buy much."

The first man says, "I know how we can get drunk on that £1. Go to the butchers down the road and buy the biggest, fattest sausage you can get for £1."

His mate runs off and comes back with a sausage and then the first man beckons him into the pub.

They go up to the bar and the first man orders 2 pints

with whiskey chasers. The second man says, "How are we going to pay for them?"

The first man whispers to him, "Drink up quick and then do as I say." They gulp down their drinks before the bar man has time to ask them for the money and then the first man puts the

sausage down his trousers and undoes his zip. He whispers to his mate, "Get on your knees and put the sausage in your mouth."

The second man does this and then the bar man sees them, "You dirty buggers, you can't do that in here, get out of my pub and don't come in here again."

The 2 men run out without paying and when they are outside the second man says, "That was great, let's do it again." So they try the same trick at another pub and it works again. After the tenth pub the second man says, "I am too pissed to get on my knees again and I can't run anymore."

The first man replies, "Yes, I am pissed as well and its a good job because I lost the sausage about 3 pubs ago."

A woman goes to the doctors. She is not very bright but has a lot of children. "Doctor," she says, "I have ten children and I really must not have any more because we can't afford it. What can I do?"

The doctor carefully explains about contraception and gives her a packet of condoms. He says to her,

"Put one of these on his organ before you have sex."  
She tells him that she will and leaves. 3 months later she goes back to his surgery and says to him, "Doctor these condoms don't work."

The doctor asks her, "Did you do as I said?"

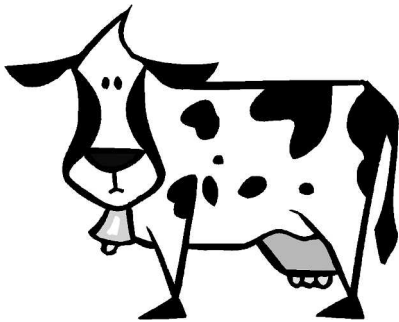

"Yes doctor, you told me to put one on his organ before sex. Well we don't have an organ so I put one on the piano but they did not work."

Why are the marketing slogans for Ice-cream and condoms very similar?

The Ice-cream slogan is "Stop me and buy one."

The condom slogan is "Buy me and stop one."

A farmer is moving a herd of young cows down a country lane and causes a queue of traffic to build up. A woman driver at the front winds down her window and shouts at him, "Hurry up and move those cows please, I have an appointment to get to."

The farmer shouts back, "B\*ll\*cks."

"There is no need to be rude about it," says the woman.

"I wasn't," replies the farmer, "These beasts are young bullocks, not cows."

A farmer has a number of driving lessons and then takes his test. He is doing very nicely in the test when the examiner asks him, "Can you make a U-Turn?"

"Yes laddy," replies the old farmer, "I can make a ewe turn, I can even make her eyes water."

A ventriloquist goes into a pub and starts talking to an old farmer. The ventriloquist thinks to himself "I'll have a little joke with this old man." So he says to the farmer "Do you mind if I talk to your sheepdog?" The farmer replies "Yes of course but he won't say much," and chuckles to himself. The ventriloquist says to the dog, "Does your master look after you?" Then he throws his voice to make it sound as if the dog is talking and says, "Yes, he feeds me well and takes me for a nice walk every day." The farmer says, "That is amazing. In all the years that I have had him he has never talked before." The ventriloquist says, "I have a way with animals. Can I come to your farm and talk to some of the other animals?" The farmer looks surprised but agrees so the pair walk to his farm. Then the ventriloquist sees a horse and asks it "Does your master look after you?" Then he throws his voice with a different accent and says,

"Yes , he feeds me lots of nice hay and oats and takes me for a gallop occasionally." The farmer scratches his head and says, "That is amazing, he is 15 years old and I have never heard him talk before."

The ventriloquist sees a pig in the farmyard and throws his voice again, then he sees some sheep in the field next to the yard and strolls across to the fence. He is just about to hop over it when he sees an expression of horror on the farmers face. The farmer shouts out to him, "Don't listen to those sheep they are terrible liars. I have not done anything to them!"

The chief sales manager in this big superstore takes a new recruit on one side and says to him "You will have to learn how to sell things if you are going to get on here. You have got to approach the customers and try and sell them other things besides that which they came in for. Watch me when the next customer comes in. I'll show you how to sell." A customer walks through the door and the salesman approaches him "What can I help you with sir?"

"I want a little bit of grass seed because my lawn is patchy."

"Certainly sir. This big box will work out cheaper

than the small one if you have got several bare patches."

"All right." the customer replies. "I will have the bigger one"

The sales man then says "It will make the seed easier to spread if you mix it with a bag of silver sand."

"Yes that is a good idea." says the customer "I will have a bag of that as well."

Then the sales man says "When the seed comes up you will want some food for it to make it grow. How about this box of lawn food?"

"Yes fine." says the customer.  
The sales man delivers the coup de grace and tells the customer,  
"You will want to mow the new grass as soon as it is up to make it thicken out and

we have an offer on this particular lawn mower. This week end only it is half price at £200. It is a very good buy and will last a life time."

"Go on then," says the man, "I'll take it."

After he has gone the sales man says to the trainee sales. "You see that man only came in for a packet of grass seed and I had nearly £250 off him. See if you can sell a lawn mower to the next customer."

A man comes in and asks for a packet of jam rags. The junior sales says to him "Do you want the

ordinary ones or the deluxe?"

"I'll have the better ones," replies the man.

Then the sales lad asks "Would you like the small pack of 10 or the economy pack of 50?"

The customer says "I will take the big pack please."

The senior salesman nods his head in approval of the junior. "Good work," he whispers.

Then the sales recruit says to the customer "Can I interest you in a lawn mower sir?"

"What makes you think I would want a lawnmower young man?"

"Well you might as well cut the grass in the evening because you certainly won't be doing any thing else this weekend!"

My wife was in the chemists the other day and saw some flourescent condoms for sale so she bought a pack. "Shall we try one out tonight?" she said.

"OK," I replied. When we got home we did some

work around the house and then had an early night.

We both got ready for bed, my wife got into bed and I needed to go to the toilet. I said to her "I will be a little while because I need a crap." When I had finished on the toilet I put the flourescent condom on and went into the bedroom. Much to my disgust my wife had gone

to sleep while she was waiting for me so I thought I am not going to let this go to waste. I got into bed and pulled the covers over my head and read my book by the light of the condom.

An 85-year-old man went to his doctor's office to get a sperm count. The doctor gave the man a jar and said, "Take this jar home and bring back a semen sample tomorrow."

The next day the 85-year-old man reappeared at the doctor's office and gave him the jar, which was as clean and empty as on the previous day. The doctor asked what happened and the man explained: Well, doc, it's like this. First I tried with my right hand, but nothing. Then I tried with my left hand, but still nothing. Then I asked my wife for help.

She tried with her right hand, then her left, still nothing. She tried with her mouth, first with the teeth in, then with her teeth out, and still nothing. We even called up Arleen, the lady next door and she tried too, first with both hands, then an armpit and she even tried squeezin' it between her knees, but still nothing."

The doctor was shocked! "You asked your neighbour?"

The old man replied, "Yes. None of us could get the jar open."

A guy was in court for a double murder and the judge said, "You are charged with beating your wife to death with a spanner."

A voice at the back of the courtroom yelled out, "You b\*stard!"

The judge continued, "You are also charged with beating your daughter to death with a spanner."

Again, the voice at the back of the courtroom yelled out,

"You f\*\*\*ing b\*stard!!!"

The judge stopped, looked at the man at the back of the courtroom, and said, "Sir, I can understand your anger and frustration at this crime, but I will not have any more of these outbursts from you or I shall charge you with contempt of court! Now what is the problem?"

The guy at the back of the court stood up and responded, "For fifteen Years I lived next door to that b\*stard. And every time I asked to borrow a F\*\*\*ing spanner, he said he didn't have one!"

My niece was out walking with her two children when a man came up to her and said "Are the

children twins?"

She looked surprised and said "No, of course not, the little boy is 7 and the little girl is 5. They don't look like twins do they?" She asked.

"Well no," He said, "But you are so ugly I did not think any man would want to have sex with you twice."

A research program has just been completed into the contents of a pint of beer and it has been discovered that all beer contains female hormones. This of course explains why after 10 pints of beer you talk a load of nonsense and can't throw a dart straight!

A woman takes a lover home during the day while her husband is at work. Her 9-year old son comes home unexpectedly, sees them and hides in the bedroom closet to watch. The woman's husband also comes home so, she puts her lover in the closet, not realizing that the little boy is in there already. The little boy says, "Dark in here."

The man says, "Yes, it is."  
The boy says "I have a baseball bat."  
The man says "That's nice."  
The boy says "Want to buy it?"  
To which the man says "No, thanks."

Then the boy says "My dad's outside."  
The man pauses and says "OK, how much?"  
The boy says "\$250"  
A couple of weeks later it happens again that the boy and the lover are in the closet together.  
The boy says "Dark in here."  
The man says "Yes, it is."

The boy says "I have a baseball glove."  
The lover, remembering the last time, asks the boy, "How much?"

The boy says "\$750"  
The man says "Sold."

A few days later, the father says to the boy, "Grab your baseball glove, let's go outside and have a game of catch."

The boy says, "I can't, I sold my baseball bat and my glove."

The father asks, "How much did you sell them for?"

The boy says "\$1,000."

The father says, "That's terrible to overcharge your friends like that, that is way more than those two things cost. I'm going to take you to church and make you confess."

They go to the church and the father makes the little boy sit in the confession booth and he closes the door. The little boy says, "Dark in here."

The priest says, "Don't start that sh#t again, you're in my closet now."

I was told the old ladies house next door to ours was untidy and she had not bought any new furniture since she had moved in. She has just sold the house, but I have never seen anybody hire a skip to move their things instead of a removal van!

It just goes to show how much thought the Job Centre staff near to where I live put into their work. A young girl I know had been working as a window cleaner when she lost her job. The Job Centre asked her what experience she had got and sent her for a job as a Computer IT Consultant because she said she had got a lot of experience with Windows.

I was out walking round the village with my elderly mother the other day when she bumped into some people that she knew. They were talking about the country smells and all the flowers when I commented that, I can't smell the flowers and scents, but my mother smells a lot and she hums quite a bit as well. I quickly explained that she has a better sense of smell than me and she likes to hum songs to herself when she is happy, but I still got a clip round the ear!

An old man lived in the next village to us. He was aged 95 and very fit. He used to make love to his 40 year old wife regularly and used the gentle rhythmic peal of the church bells to pace himself. The Doctor said at his inquest, "He would still be alive today if the ice cream van had not gone past."

A man made a home in a tyre. He got a puncture and then he lived in a flat.

A woman is standing stark naked in front of her bedroom mirror and says to her husband .... " I look horrible, I look fat and ugly!..... pay me a

compliment."

Her husband replies "Your eyesight's perfect!"

Four married blokes went fishing. After an hour, the following conversation took place:

First bloke: "You have no idea what I had to do to be able to come fishing this weekend. I had to promise my wife I will paint every room in the house next weekend."

Second bloke: "That's nothing; I had to promise my wife I will build a new patio deck."

Third bloke: "Man, you both have it easy! I had to promise to remodel the kitchen."

They continue fishing then realize the fourth bloke hasn't said a word. So they ask him. "You haven't said what you had to do to come fishing. What's did you have to promise?"

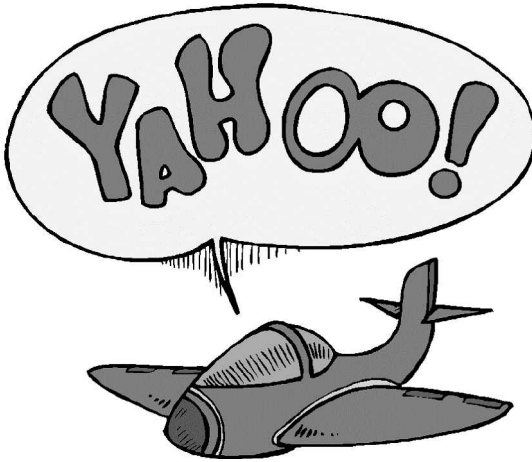

Fourth bloke: "I just set my alarm for 5:30 am. It went off, I shut it off, gave the wife a nudge and said, "Fishing or Sex?"

She said, "Wear sun-block."

There were 4 people sitting in a railway carriage on a train, a Welshman, an Englishman, an old lady and a pretty young lady. The train went through a short

tunnel and there was a loud slap. As the train came into the light the old lady thought to herself, "One of those men must have touched up that young lady." The young lady thought to herself, "I can't believe that one of those men touched up that old lady." The Welshman thought, "If that Englishman does that again he'll get another slap."

A man boards an airplane and takes his seat. As he settles in, he glances up and sees the most beautiful woman he has ever seen boarding the plane. He soon realizes she is heading straight towards his seat.

A wave of nervous anticipation washes over him. Lo and behold, she takes the seat right beside his. Eager to strike up a conversation, he blurts out,

"Business trip or vacation?"

"Nymphomaniac Convention in Chicago," she states. Whoa!!! He swallows hard and is instantly crazed with excitement. Here's the most gorgeous woman he has ever set his eyes on, sitting **RIGHT** next to him and she's going to a meeting of nymphomaniacs! Struggling to maintain his outward cool, he calmly asks, "What's your business role at this convention?"

"Lecturer", she says. "I use my experiences to debunk some of the popular myths about sexuality." "Really," he says, swallowing hard, "What myths are those?"

"Well," she explains, "One popular myth is that African American men are the most well-endowed when, in fact, it is the Native American Indian who is most likely to possess that trait. Another popular myth is that French men are the best lovers, when actually it is men of Greek descent."

Suddenly, the woman becomes very embarrassed and blushes. "I'm sorry," she says, "I shouldn't be discussing this with you, I don't even know your name!".

"Tonto," the man says, as he extends his hand.

"Tonto Papadopoulos."

An award should go to the gate attendant at Brisbane New International airport. A crowded Singapore - London flight was cancelled. She was the lone attendant in charge of re-booking a long line of inconvenienced travellers. Suddenly an angry passenger pushed his way to the desk. He slapped his ticket down on the counter and said, "I HAVE to be on this flight and it HAS to be FIRST CLASS". The attendant replied, "I'm sorry sir. I'll be happy to try to help you, but I've got to help these people first, and I'm sure we'll be able to work something out." The passenger was unimpressed. He asked loudly, so that the passengers behind him could hear, "DO YOU HAVE ANY IDEA WHO I AM?" Without hesitating, the attendant smiled and grabbed her

public address microphone: May I have your attention please? May I have your attention please?" she began. With her voice being heard clearly throughout the terminal, she said, "We have a

passenger here at Gate 14 WHO DOES NOT KNOW WHO HE IS. If anyone can help him find his identity, please come to Gate 14." With the folks behind him in line laughing

hysterically, the man glared at the attendant, gritted his teeth and said, "F\*^# You!"

Without flinching, she smiled and said, "I'm sorry, sir, but you'll have to get in line for that too.ö

Donald Rumsfeld briefed the President this morning. He told Bush that Three Brazilian soldiers were killed in Iraq. To everyone's amazement, all of the color ran from Bush's face, then he collapsed onto his desk,

head in hands, visibly shaken, almost whimpering. Finally, he composed himself and asked Rumsfeld, "Just exactly how many is a brazillion?"

I was standing at the cash point the other day when a little old lady came up to me and asked if I would be kind enough to check her balance, so being the kind hearted person that I am, I pushed her and she fell over.

A man and wife had some nice plants in pots on their patio. They heard the weather forecast on T.V. say that there could be a frost that night, so the husband said they should bring the plants into the house. While sitting on the sofa the wife saw a small green snake come out of the pots, she let out a terrible scream. Her husband, who was in the shower, dashed downstairs dripping wet and in the nude. His wife said, "There is a snake under the sofa." So the man lay on the floor to get at the snake. Their little dog thought it was a

game and gave him a playful nip. The man thought that he had been bitten by the snake and fainted. His wife thought that he had had a heart attack and phoned for an ambulance which duly arrived. He was put on a stretcher, but as he was being carried out one of the men saw the snake coming from under the sofa and dropped his end of the stretcher and the man fell off breaking his leg. The ambulance men picked him up again and he was taken to hospital. The next-door neighbour came round to see what was going on and the lady sat on the sofa and told him about the snake. While sitting on the sofa she put her hand down between the cushions, found the snake there, screamed and passed out. The neighbour thought she needed mouth to mouth and put his lips to hers just as his wife came in. His wife thought that he was having an affair with the lady so she hit him on the back of his head with her handbag that happened to contain a large tin of carrots, it cracked his skull and he fell to the floor. His wife left the room and called another ambulance. Meanwhile the first lady had recovered and seen the neighbour unconscious on the floor so she tried to revive him by pouring some whiskey into his mouth spilling quite a bit in the process. Suddenly a police car arrived and two policemen came into the house. They smelt the whiskey and saw the two women arguing and thought it was a drunken domestic until one of the policemen saw the snake appear from under the sofa. He took out his gun and shot at it, but missed and hit a small table leg that then toppled over. There was an old fashioned oil lamp on the

table that was alight and it fell onto the spilt whiskey which started a fire. The little dog saw the flames

and panicked running out of the house and across the road causing a car to swerve and crash into the police car which burst into

flames. The house was well alight before a fire engine came with a big ladder on top of it. The ladder caught on the low overhead power cables breaking them cutting of the electricity to the area. Finally both men came out of hospital after the house was rebuilt and the man and his wife were sitting watching the news on the television when the weather forecast was given out warning of a frost that night. The man said, "Shall we fetch those tender plants in?" His wife looked at him, picked up a gun and shot him.

Little Johnny arrives home from school early one day and goes upstairs. He hears some groaning from his mom and dad's room so he looks through the door and sees his mom sitting astride his dad frantically going up and down. "What are you doing mom?" he asks.

His mom replies, "I am trying to rub away your daddy's tummy."

Johnny says, "I wouldn't bother mom because when you are out the nice lady from next door comes round, gets down on her knees and puts daddy's thing in her mouth and blows it up again."

I went to the Pizza Parlour the other day and it was full of policemen. They had got the kitchen all roped off and there was a body lying on the floor. One of

the coppers came up to me and said, "Sorry there will be no pizzas today because we found the cook lying dead on the floor. He was covered top to toe in slices of tomato, peppers and salami and he was sprinkled in grated cheese. We think he peeped himself."

A priest was in his church waiting for parishioners to come to the confessional and was having a few moments quiet prayer when he spotted a tramp, who was obviously the worse for drink, enter the church and sit in a pew. The tramp slumped in his seat and

appeared to go to sleep. The priest carried on with his duties and took the confessions of several people that arrived. After a while the drunken tramp woke up and went into one of the confessionals. The priest went into the other side and waited for the tramp to speak. Nothing was said so the priest shuffled about waiting for a confession. After a

few minutes the priest rattled his keys to make the man realize that he was there. Finally the drunk spoke to him. "It's no good. I can't help you, because there is no toilet paper in here either."

I was reminiscing with my wife, who is now 50 years old, the other day. I said, "25 years ago I had no furniture, a tiny old flat, an old banger of a car, no money and a beautiful sexy young 25 year old blond who loved me. 25 years later I have designer furniture, a lovely big house, an expensive car, plenty of

money and you. I kept up my side of the deal and obtained all the luxuries but you have just got old.ö My beloved wife replied, öIf you can find a beautiful sexy 25 old blond who loves you, you can have her, but I will see to it that you will also have no furniture, a tiny flat, an old car and no money!ö

It was in America during the Prohibition era when Al Capone was heard talking to his henchman. Al Capone said, "I hear there's a new Chinese Restaurant opened up down the block. How about you and me try it out this evening?"

The henchman replies, "I don't know nothing about Chinese food Al. Them Chinese eat Bean Sprouts don't they?"

Al responds, "I don't know either but that's OK, I'll look it up in the international food guide."

So that evening the pair go to the Chinese restaurant and order their meal. They eat the meal and then Al Capone gets up and shoots everybody in the restaurant and leaves.

Outside the two men are talking and the henchman asks Al, "Why did you shoot up the place Al?"

Al Capone replies, "I looked up them Beans in the good food guide and it said, "Eat shoots and leaves." So that's what I does, I Eats, Shoots and Leaves."

There were two nuns with their Mother Superior driving along the motorway when they were involved in a serious accident and they were all killed. They went to Heaven and arrived at the

Pearly Gates where St Peter was waiting for them. He said to the nuns, "Before I can let you in to heaven you each have to answer a question. Don't

worry because they are all quite easy." Then St Peter asked the first nun, "Where did Adam meet the first woman?"

The Nun replied, "In the Garden Of Eden."

"Correct," Said St Peter, "In you go." Then he turned to the second Nun and asked, "What was the name of the first woman in the garden of Eden?"

The second Nun replied, "Her name was Eve."

"Quite right," Said St Peter and then he said to the Mother Superior, "This one is a bit more difficult for you in view of your position in the Church. "What did Eve say when she first saw Adam in the garden of Eden?"

"Ooh, that's a hard one," murmured the Mother Superior.

"That is correct," Said St Peter, "In you go."

A Doctor went to see a Psychiatrist with a dilemma. "I don't know what to do," the Doctor said, "I've done a terrible thing. I've had sex with one of my patients."

The Psychiatrist tried to reassure the doctor, "It's not so bad really, these things happen sometimes because of the emotional trauma that a patient can go through and the natural concern that a Doctor has for his patient. After all you aren't

married and you are a healthy young man."

The Doctor replied, "I do understand what you are saying but, I am not a regular Doctor, I am a Vet."

An English teacher was at school one day with his class of young pupils and decided to set them a simple comprehension test. He said, "Class I want you to construct a short paragraph or phrase with these words in. Defense, Detail and Defeat . You have five minutes."

The teacher expectantly asked the first little boy who had eagerly put up his hand to say he had completed the task, "Tell me what you have written."

The little boy hesitated and replied, "De cat jumped over de fence and de tail followed de feat."

There were two eggs rolling around in a saucepan of water. The ring was turned on and the water was coming up to the boil. The first egg said to the second egg, "It's getting hot in here isn't it? I wish they would take me out of here."

The second egg replied, "Yes it is getting a bit warm, but you are much better staying in here as long as you can because when they take you out they bash in your head!"

Here is a query that a call centre received from a computer user. The cursor has disappeared from my screen. What should I do?

Move the Mouse about and see if it comes back onto the screen.

Nothing happens the screen just stays blank.

The screen is blank. Do you mean it is black and not lit up?

Yes.

Is there a little light, usually red or green on the case of the Monitor at the bottom of the screen?

No.

Can you check that the leads are all plugged in tight to the back of the Monitor and Computer?

No.

No they aren't in or you can't check?

No I can't check because I'll fall off my chair if I try and look round the back.

Try moving the computer slowly and gently so that you can see.

I still can't see because it's too dark by the computer as there is only a tiny window on the other side of the room and it does not let in much light.

Get up and switch on the light so that you can see.

It does not work.

Is the bulb broken?

No.

Are the lights on in the houses round you.

No.

I know what the problem is. Have you got the boxes that the Computer came in?

Yes they are in the garage.

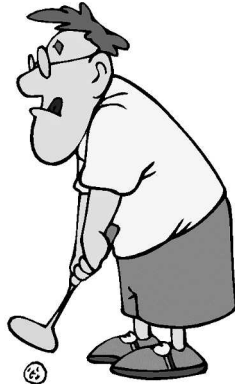

Go and fetch them and carefully pack it all away, then take all the boxes back to the shop where you bought it from.

Is it that serious? What shall I tell them at the shop?

Tell them that you are too bloody thick to own a Computer!

A man is in the Hospital Casualty Unit. He has a black eye, badly swollen face and a golf club wrapped round his neck. A Doctor comes up to him

and asks what happened to him. The injured man replies, "Well, I was playing golf with my wife and we both sliced our balls into a field full of cows next

to the golf course. We climbed over the low fence into the field and started looking for our balls. When I glanced at one of the cows I saw a little white speck in its bottom that looked like a golf

ball. I walked up to it and lifted its tail to get a better look. The white spot was a golf ball wedged firmly in the cows bottom and when I looked closely I saw it had my wife's initials on it, so I held the cows tail up and called out to my wife, "This looks like yours dear..... I don't remember anything after that 'till I woke up here in casualty."

With all this genetic engineering a farmer has found a new crop to grow in his fields. In fact he has made history by growing the first ever crop of genetically engineered dildos. Unfortunately he has had a problem with squatters in his fields.

A modern day cowboy has spent many days crossing the western plains without water. His horse has

already died of thirst. He's crawling through the sand, certain that he has breathed his last breath, when all of a sudden; he sees an object sticking out of the sand several yards ahead of him. He crawls to the object, pulls it out of the sand, and discovers what looks to be an old brief case. He opens it and out pops a genie. But this is no ordinary genie. She is wearing an Inland Revenue ID badge and a dull grey dress. There's a calculator in her pocketbook. She has a pencil tucked behind one ear.

"Well, cowboy," says the genie, "You know how I

work. You have three wishes."

"I'm not falling for this." said the cowboy. "I'm not going to trust an Inland Revenue genie."

"What do you have to lose? You've got no transportation, and it looks like you're a goner anyway!"

The cowboy thinks about this for a minute, and decides that the genie is right.

"OK, I wish I were in a lush oasis with plenty of food and drink."

\*\*\*POOF\*\*\*

The cowboy finds himself in the most beautiful oasis he has ever seen. He is surrounded with jugs of wine and platters of delicacies.

"OK, cowpoke, what's your second wish?"

"My second wish is that I wish that I was rich

beyond my wildest dreams."

\*\*\*POOF\*\*\*

The cowboy finds himself surrounded by treasure chests filled with rare gold coins and precious gems.

"OK, cowpuncher, you have just one more wish.

Better make it a good one!"

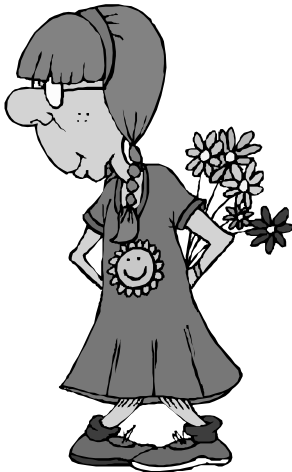

After thinking for a few minutes, the cowboy says, "I wish that no matter where I go, beautiful women will want and need me."

\*\*\*POOF\*\*\*

He is turned into a tampon.

The moral of the story is: If the government offers you anything, there's going to be a string attached!

It was the teachers birthday and the children were queued up giving her their presents. The first little boys father owned the local sweet shop. When the teacher opened his present she found it was a large box of chocolates. She knew the second child's mother owned the local florists and as she expected she got a large bouquet of flowers. The third little boys father owned the local off license so she expected something nice to drink. The little boy put a big box on her desk and she saw it was leaking. The teacher

dipped her finger into it and licked it. She asked the boy, "What's in the box? Is it a crate of wine?"

"No Miss," replied the little boy.

The teacher put her finger in to the fluid and licked it again. "Is it Champagne in the box?"

"No Miss," replied the little boy.

The teacher put her finger in to the fluid and licked it again. "Is it Whiskey in the box?"

"No Miss," replied the little boy. "It's a puppy."

A little boy is causing trouble for his teacher in a Grade one class, so she asks him a couple of math's questions to try and catch him out and embarrass him into keeping quiet. "Johnny, what is  $3 \times 3$ ?"

Johnny says, "That's easy Miss, nine."

"OK, tell me what is  $5 \times 7$ ?"

Johnny replies, "That's still too easy Miss, the answer is 35. I should be in Grade 3 because this class is too easy for me. I'm cleverer than my sister and she is in Grade 2."

The teacher says, "That's enough, come with me to the Headmaster and he can deal with you." So they go to the Head's office and the teacher explains how cheeky Johnny has been and how he thinks he's too good for class. The Headmaster says, "Johnny, I'll

ask you some questions to see how clever you are.

What is  $7 \times 9$ ?ö

öEasy Sir, 63.ö

öWhat is  $11 \times 9$ ?ö

öI know that Sir. The answer is 99.ö

The lady teacher pipes up öIöll ask him some tougher ones. Johnny, what has a woman got two of and a cow has 4?ö

Johnny says, öLegs Miss.ö

öAll right, what has a man got two of and a woman doesn't have any?ö

öThat's easy Miss, the answer is pockets.ö

öJohnny, what are big and round and firm and hard when they are young and go all soft and squashy when they are old?ö

The Headmaster is beginning to sweat by now with the expected answers to the questions. The little boy says, öMelons, Miss.ö

öWhat get longer and bigger as they mature and shrivel when they get old?

öCucumbers, Miss.ö

The teacher asks the next question, öWhat is round and hairy on the outside with milky stuff on the inside, begins with a C and ends with a T?ö

öA coconut, Missö

By this time the Head has

sweat dripping off his forehead but the young teacher goes on. öWhat goes in all pink and hard and comes out all sticky and limp?ö

öChewing gum, Miss.ö

öWhat do you get when you are all hot and excited and hear bells. It begins with an F and ends with a K.ö

öFire Truck, Miss.ö

The Headmaster stops the proceedings, mops his sweating brow and says, öThat's enough, never mind Grade 3 Johnny should go into Grade 5 at least because he got everyone right and I got the last 7 wrong!ö

3 lively young ladies were getting up to mischief and causing mayhem on a farm one fine Autumn day. One of the girls was Brunette, one Ginger and the other was a Blonde. The farmer had caught them playing in his hay barn and chased them out earlier in the morning. Later on he had seen the girls scrumping apples in his orchard and chased them

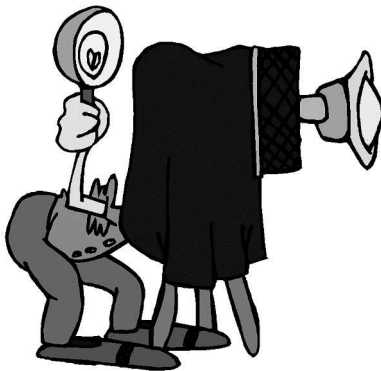

across the fields and finally he cornered them in a large shed where he was storing a lot of sacks of potatoes. When he went into the building he was fuming and shouted out, "When I catch you I'll give you what for," but as he looked round all he could see were the potato sacks. Some of the sacks were obviously full of "tattys," but there were also several loose piles of empty sacks and no sight of the girls. He said to himself, "They must be hiding in these

piles of empty sacks."

The angry farmer kicked the first one with his foot and the Ginger girl hiding inside it said, "Meow, meow."

The farmer muttered, "That must be a cat in there." He kicked the next sack and the Brunette girl inside said, "Woof, woof."

The farmer muttered, "That must be a dog in there." He kicked the third sack and the Blonde girl hiding inside said, "Potatoes, potatoes."

The Japanese camera manufacturers have quite a reputation for their superb technology and ever improving products. One camera maker has developed a new camera with a very

fast shutter speed to improve the quality of pictures it can take. The shutter speed is so very fast that it can take a picture of a woman with her mouth shut!!!

A contract for painting the local Light House was up for tender and one painter was determined to win the contract so he put in as low a bid as possible. His tender was accepted and he started the job. Halfway up the Light House the painter realised that he was not going to have enough paint. He decided that if he bought some more to finish the job properly he would lose out because of the extra cost so instead

he added paint thinners to the pots of paint that remained to complete the Light House. The painter

had just got enough paint to get the job done and when he had finished he went to the local pub and had a few pints to unwind. When he came out the morning sun had dried the paint

and the Light House looked a mess because the top half where he had thinned the paint was not covered properly. The painter started cussing and shouting. "Oh my God, what a mess. What am I going to do? It will cost me a fortune to put it right." The clouds rolled apart and a thunderous voice replied, "Repaint! Repaint! Thin No More!"

There has been a determined effort to put up new fences and plant new hedges in the open plan gardens by local residents near where I live.

Unfortunately this has resulted in a spate of thefts of the young bushes. The other day the Police reported that they had caught the culprit committing the thefts who admitted taking a number of bushes and the criminal had asked for a fence to be taken into consideration.

HUSBAND: Definitely not!

WIFE: Why not - don't you like being married?

HUSBAND: Of course I do.

WIFE: Then why  
wouldn't you remarry?

HUSBAND: Okay, I'd  
get married again.

WIFE: You would?

(With a hurtful look on  
her face).

HUSBAND: (Makes  
audible groan).

WIFE: Would you live  
in our house?

HUSBAND: Sure, it's a great house.

WIFE: Would you sleep with her in our bed?

HUSBAND: Where else would we sleep?

WIFE: Would you let her drive my car?

HUSBAND: Probably, it is almost new.

WIFE: Would you replace my pictures with hers?

HUSBAND: That would seem like the proper thing  
to do.

WIFE: Would she use my golf clubs?

HUSBAND: No, she's left-handed.

WIFE: - - - silence - - -

HUSBAND: Shit!

Two naughty boys, Johnny and Sammy were forever getting told off by their Mother for misbehaving. The boys were playing in the garden when the local Vicar called on their Mother. She told him how naughty

they were and he said that he would tell them a lesson about how good people are rewarded by going to heaven. The Mother called in little Sammy and the

Vicar said to him, "Do you remember Jesus? Do you know where he has gone?"

Sammy sat there quietly.

The Vicar asked again more insistently, "Do you know where Jesus has gone?"

Sammy sat there not saying a word.

The Vicar asked again even more insistently, "Do you know where Jesus is?"

Sammy suddenly got up and ran out into the garden

shouting , "Johnny, Jesus has gone missing and we're going to get it 'cause that Vicar thinks we know where he is!"

Two 90 year old men, Mike and Joe, have been friends all of their lives. When it's clear that Joe is dying, Mike visits him every day. One day Mike says, "Joe, we both loved football all our lives, and we played Sunday football together for so many years. Please do me one favour, when you get to Heaven,

somehow you must let me know if there's football there."

Joe looks up at Mike from his death bed," Mike, you've been my best friend for many years. If it's at all possible, I'll do this favour for you. Shortly after that, Joe passes on. At midnight a couple of nights later, Mike is awakened from a sound sleep by a blinding flash of white light and a voice calling out to him, "Mike--Mike."

"Who is it? asks Mike sitting up suddenly. "Who is it?"

"Mike - - it's me, Joe."

"You're not Joe. Joe just died."

"I'm telling you, it's me, Joe," insists the voice."

"Joe! Where are you?"

"In heaven", replies Joe. "I have some really good news and a little bad news."

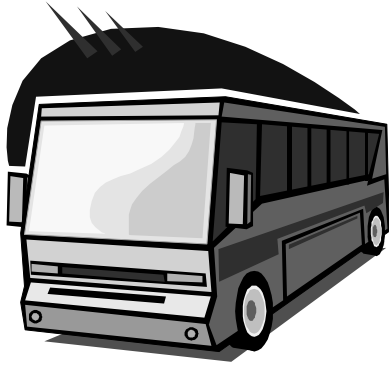

"Tell me the good news first," says

Mike

"The good news," Joe says," is that there's football in heaven. Better yet, all of our old friends who died before us are here, too. Better than that, we're all young again. Better still, it's always spring time and it never rains or snows. And best of all, we can play football all we want, and we never get tired."

"That's fantastic," says Mike. "It's beyond my wildest dreams! So what's the bad news?"

Joe says "You're in the team on Tuesday"

A hippie gets onto a bus and proceeds to sit next to a Nun in the front seat. The Hippie looks over and asks the Nun if she would have sex with him. The Nun surprised by the question politely

declines and gets off at the next stop.

When the bus starts on it's way the bus driver says to the hippie, "If you want I can tell you how you can get that nun to have sex with you."

The hippie of course says, "I'd love to know."

So the bus driver tells him, " Every Tuesday evening at midnight the nun goes to the cemetery to pray to the lord. If you went dressed in robes and some glowing powder you could tell her you were God and command her to have sex with you."

Well the Hippie decides to try this out so that Tuesday he goes to the cemetery and waits for the nun. Right on schedule the nun shows up. When she's in the middle of praying the hippie walks out from hiding, in robes and glowing with a mask of god. "I am God, I have heard your prayers and I will answer them but you must have sex with me first."

The nun agrees but asks for anal sex so she might keep her virginity. The hippie agrees to this and quickly sets about to go to work on the nun.

After the Hippie finishes, he rips off his mask and shouts out, "Ha ha, I'm the hippie!!"

The nun replied by whipping off her veil and shouting, "Ha ha, I'm the bus driver!!"

A blonde and a brunette were watching the 10 o'clock news together. The current news was about a man up on a ledge and threatening to jump. The situation cut to a commercial.

Brunette: "I'll bet you £20 he's going to jump."

Blonde: "Okay."

(then back to the newscast.)

He jumps.

Blonde: "Okay, here's my £20."

Brunette: "No, that was too easy, I can't take your money."

Blonde: "I insist. I lost!"

Brunette: "I have a confession to make. I saw the same thing on the 6 o'clock news and knew he jumped. So it wasn't really a fair bet."

Blonde: "I saw the exact same newscast, but I didn't think he would be stupid enough to jump twice!"

A guy stuck his head into a barber shop and asked, "How long before I can get a haircut?"

The barber looked around the shop full of customers and said, "About 2 hours."

The guy left.

A few days later, the same guy stuck his head in the door and asked, "How long before I can get a haircut?"

The barber looked around the shop and said, "About 3 hours."

The guy left.

A week later, the same guy stuck his head in the shop and asked, "How long before I can get a haircut?"

The barber looked around the shop and said, "About an hour and half."

The guy left.

The barber turned to a friend and said, "Hey, Bill, do me a favour. Follow that guy, and see where he goes. He keeps asking how long he has to wait

for a haircut, but then he doesn't ever come back."

A little while later, Bill returned to the shop, laughing hysterically.

The barber asked, "So, where does that guy go when he leaves here?"

Bill looked up, choking on laughter, tears in his eyes, and said,

"Your house."

One day at the end of class little Chris's teacher has the class go home and think of story and then conclude the moral of that story. The following day

the teacher asks for the first volunteer to tell their story.

Little Suzy raises her hand: "My dad owns a farm and every Sunday we load the chicken eggs on the truck and drive into town to sell them at the market. Well, one Sunday we hit a big bump and all the eggs flew out of the basket and onto the road." The teacher asks for the moral of the story. Suzy replies, "Don't keep all your eggs in one basket."

Next is little Mary ... "well my dad owns a farm too and every weekend we take the chicken eggs and put them in the incubator.

Last weekend only 8 of the 12 eggs hatched" ... teacher asks for the moral of the story... Lucy replies "Don't count your chickens before they're hatched"

Last is little Chris ... "My Uncle Ed fought

in the Vietnam war, his plane was shot down over enemy territory - he jumped out before it crashed with only a case of beer, a machine gun and a machete. On the way down he drank the case of beer. Unfortunately, he landed right in the middle of 100 Vietnamese soldiers. He shot 70 with his machine gun, but ran out of bullets, so he pulled out his machete and killed 20 more. The blade on his machete broke, so he killed the last ten with his bare hands." Teacher looks in shock at Chris and asks if

there is possibly any moral to his story... Chris replies,  
"Don't fí ck with my Uncle."

This JellyBean walks into a bar and gets talking to a Smartie. After a few beers the Smartie says "Ere, do you fancy going to that new club in town?" JellyBean says "No mate, I'm a soft centre, I always end up getting my head kicked in." So Smartie says "Don't worry about it, I'm a bit of a hard case, I'll look after you." So JellyBean says "Fair enough, as long as you'll look after me." and off they went. After a few more beers in the club, three Vapour Drops walk in. As soon as he sees them, Smartie hides under a table, the Vapour Drops take one look at JellyBean and start kicking him, punching him and generally having a laugh. After a while they get bored and walked out. Jelly Bean pulls his battered Jelly Bean body over to the table and wipes his Jelly Bean blood up and turns to Smartie and says "I thought you were going to look after me?" "I was!" says Smartie, "But those Vapour Drops are fí cking menthol !!!"

A 7 year old and a 4 year old are upstairs in their bedroom. You know what?", says the 7 year old, "I think it's about time we start swearing." The 4 year old nods his head in approval. "When we go downstairs for breakfast I'm gonna swear first, then you swear after me, ok?"

"Ok" the 4 year old agrees with enthusiasm. The mother walks into the kitchen and asks the 7 year old what he wants for breakfast. "Oh, shit mum, I guess I'll have some Coco Pops"

WHACK!! He flew out of his chair, tumbled across the kitchen floor, got up, and ran upstairs crying his eyes out. She looked at the 4 year old and asked with a stern voice, "And what do YOU want for breakfast, young man?!"

"I don't know," he blubbers, "but you can bet your fñ ckin' arse it won't be Coco Pops."
